The Application Process

Step 1

Applicant must complete an ACE @ Suncoast Technical College Application Packet for a Part-time Instructional Position as well as a Security Background Check form. Return it to the ACE office at 4748 Beneva Road, Sarasota, FL 34233. A resume is optional, but recommended. If applying for an art position, please submit a CD or a website link with photos of your work.

If you are proposing a new class offering, submit the idea in writing. This proposal should include an outline of what would be taught weekly, proposed length in weeks and hours, along with the class name and a course description of the proposed class.

Please be aware that it may be several weeks before we work on the next class session. **You will be contacted if and when we feel your class would be a good fit for the ACE program.** Your application will be kept on file indefinitely.

Step 2

If it is determined your proposed class would complement the ACE program offerings, you will be contacted to interview in person. If you are proposing an arts or crafts class, please bring samples of your work to the interview. If, at that time, it is agreed to move forward with the hiring process, you will begin the paperwork for becoming a part-time school district employee. Part of the process is to be fingerprinted and drug tested prior to employment.

Potential instructors will be given instructions for completing the Sarasota County School's online application*. If you need assistance completing the district application, please contact their office at 941-927-9000, ext. 31200. Three references are required and are automatically emailed to them once you click on "save and submit" after completing the application. Please be certain you enter in emails accurately and choose those who frequently use email.

*Some choose to teach for ACE as a volunteer. Requirements for volunteering for Sarasota County Schools consist of completing the PALS volunteer application. If this is one's preference, more information will be provided at the time of the interview.

Effective January 1, 2014, the hourly pay rate for part-time SCTI instructors teaching classes not requiring certification, is calculated according to enrollment numbers for each class, determined after the second class meeting. Compensation is awarded on a four tiered system that is based upon class size relative to minimum and maximum enrollments, as determined by SCTI administration when scheduling each class.

Tier Level	Rate	Conditions
Tier IV	\$30/hour	Class enrollment meets assigned maximum
Tier III	\$24/hour	Class enrollment exceeds 60% assigned minimum
Tier II	\$18/hour	Class enrollment meets assigned minimum
Tier I	\$12/hour	Class enrollment is less than assigned minimum, if administrator deems enrollment is sufficient (and instructor agrees)

As you can see, those classes meeting their assigned minimum will be compensated at Tier II on the pay scale - ~~\$18.00~~/hour. Instructor pay shall increase if enrollment figures meet certain percentage numbers above the set minimum. Those classes that have enrollments exceeding 60% of the established minimum shall pay teachers on Tier III - ~~\$24~~/hour. Classes that fill will generate compensation at Tier IV - ~~\$30~~/hour. If a class draws enrollments that are less than the minimum, the teacher has the option of being paid at Tier I - \$12/hour, if the administrator deems there is sufficient enrollment. Preparation time will no longer be awarded.

The hourly rate is paid in context of student contact. Additional hours, if applicable, are determined and awarded by the program administrator. Because teacher pay is tied to enrollment for each class, it is possible that a teacher who teaches multiple classes may have multiple pay rates.
