

What is your commitment to youth education in our community?

Suncoast Polytechnical High School needs your help!

The Officers and Class of 2012 are coming to you for your support. Suncoast Polytechnical High School is one of a few select magnet schools of its kind in the country providing a unique learning experience for college prep and career focused students. As the inaugural class, it is our responsibility to establish traditions that depict what our school represents. It is our goal to present the school with a gift; to give the upcoming graduating class seed money for their events; have SPHS students graduate at the Van Wezel Performing Arts Hall and establish the alumni fund. Becoming a Founding Sponsor of our school could potentially put your business in front of 1,000+ new customers all year long while giving back to and investing in your local community and youth education!

Sponsorship Opportunities (see page 2 for details)

Marquee Sponsor ~ \$350

Banner Advertising at various school events throughout the 2011 - 2012 school year:

- * Movie Night
- * School Carnival
- * Monthly Booster Meetings
- * Open House Nights
- * Graduation
- * Daily on school grounds
