

VENICE MIDDLE SCHOOL

Hello Parents and Guardians of Venice Middle Students,

Throughout the Venice Middle campus students are achieving success across the board. We are constantly looking at new ways to motivate and recognize these achievements and of course, funds are always needed! Read on to join us for "Pasta with a Purpose."

Along with Honor Roll, Summer Reading Celebrations and iReady, socially students will be experiencing a community initiative called "The Civility Squad." This series of goodwill objectives will be promoted throughout the campus and student leaders will need donations to incorporate skills building. Some ideas are inspirational speakers, skits performed by local actors and round table team building socials.

What your contribution and/or ticket purchase will provide:

- ✓ Student Celebrations: on campus interactive activities like bounce houses, rock climbing, socials and dances
- ✓ Refreshments: healthy snacks, pizza parties & cold drinks
- ✓ Coupons, gift cards, incentives & trinkets
- ✓ Individual Classroom Socials & Parties

May we add on a personal note, that support of this VMS Booster event will present a wonderful way to spend a fun filled night out with friends and family. Opportunities to support our fundraiser are provided on the back of this letter. To reserve your tickets, please use the bottom portion of the second page and return to the Reception area at school. For table sponsorship please email Adria.Stasko@sarasotacountyschools.net For Silent Auction donations, please email VMSBoosters@gmail.com. On behalf of our Boosters, students and staff, thank you again for your consideration.
