

## **2018-2019 Pine View Boys Basketball**

The practice schedule for the season is listed below. Practices end at 5:30 (they may run over from time to time.) The gym will be kept open until 6:00 for players to do extra shooting practice if they want. Please pick up your child between 5:30 and 6:00pm. Players are expected to attend all practices. If illness or injury prevents attendance, it is expected that I will be made aware of this prior to missing practice.

The game schedule is listed below. Girls play first at about 6:00 and the boys game starts at approximately 7:15. All players will ride the team bus to away games. They have the option of returning to Pine View on the team bus if they like. Players are required to attend school for at least 4 periods (lunch counts) on game days. There is a dress code for game days: collared shirts, tie, dress pants and shoes for away games and team shirt for home games.

Basketball team members are required to maintain good grades and follow school rules. Any referral is a violation of team rules and will be dealt with accordingly. Any player with two referrals during the season will automatically be suspended from the team. Team members are expected to set a positive example in their classes and not be rude or disrespectful to their teachers and peers. Players are expected to be ambassadors of Pine View and are therefore expected to project a positive image when visiting the other schools in the county, as well as being good hosts.

Snapchat, Instagram, Twitter and other social media sites need to be used carefully. You are now a full-time representative of this team and your actions online can make the rest of the team look bad. When interacting with players and fans from other teams I expect you to be confident about your team, but not cocky.

Parents will be needed to run the scoreboard and scorebook for home games. We will also need a parent to keep the scorebook for away games. Please join my remind network by texting to the number "81010" and put "@pvbball" as the message.

If you have any questions, please do not hesitate to contact me at Pine View
