

RHS TARTAN YEARBOOK PICTURE AND SENIOR QUOTES POLICY 2018-2019

- For consistency, all senior formal pictures must have the same background and come from the same photography studio. We use Prestige Portraits out of Ft. Myers; Prestige is a subsidiary of our yearbook publisher, Lifetouch, Inc. They offer a mobile studio, so senior formal pictures are taken on our campus.
- Acceptable senior formal pictures are poses with the student wearing the tuxedo shirt, bow tie, and tuxedo jacket OR the black drape. Casual poses and poses containing props may not be used for the formal section of the Tartan yearbook. The acceptable attire is not gender specific; we respect the individual wishes of our students in choosing the tuxedo or the black drape.
- Hats of any type are not permitted in formal pictures for any grade level.
- Pictures must adhere to the Riverview High School dress code policy. Swimsuits are only permitted for school-sanctioned activities or approved clubs.
- Attire, poses, and senior quotes must **not** contain references that are related to:
 - Drugs or alcohol
 - Inappropriate, vulgar, or insensitive language, including (but not limited to): swearing, bullying, hate-related, sexual content, violence, and death-related
 - Weapons, including those used for hunting. **Please note:** *JROTC pictures depicting rifles at port arms, salute, right/left shoulder, and attention are allowed. The weapon must not be pointed at anyone.*
 - Illegal activity, including gang affiliation
- The legal first and last name of each student will be used for identification purposes. A nickname may be used along with the legal first name. The nickname must be a name by which the student is known and used by staff, family, and friends. Nicknames may not be vulgar or insensitive to others.
