

CHAPTER 3.00 – SCHOOL ADMINISTRATION

AUTOMATIC EXTERNAL DEFIBRILLATORS

3.25+

- I. The School Board authorizes the use of an automatic external defibrillator (AED) in a perceived cardiac medical emergency at district worksites.
- II. A minimum of three people at each worksite shall be trained to use the AED. Training shall include a course in cardiopulmonary resuscitation (CPR) and demonstrated proficiency in the use of an AED.
- III. Each worksite shall have an operational AED. The device shall be readily available for use. The local emergency medical services medical director shall be notified of the location of the device.
- IV. The Superintendent or designee shall develop procedures to implement this policy. The procedures shall be reviewed and approved by the Sarasota School Health Advisory Council.
