Description of how council membership reflects ethnic/racial and socioeconomic community served by the school and of efforts to include them:

The Principal has actively invited parents and community members to come to SAC as well as to serve as SAC Officers. Many have indicated that they will be involved in the SAC Subcommittee and as Parent Representatives at the school.

The overall demographic includes parent representatives of our school student demographic diversity. Translation services, as well as child care, are available during SAC so that parents/guardians can participate. Morning and afternoon meetings are scheduled during the year to accommodate work schedules.

Describe the election process of each group except "other citizens." For this group, describe the selection process.

Teachers (includes counselors, media specialists, etc.):

Grade level teams elect 1 representative from the team to be the SAC Teacher representative in order to update fellow team teachers on SAC information and to bring team questions to SAC.

Classified:

Classified staff nominate the representative and this person is then voted in at SAC.

Parents:

Parents are invited to participate via communications including: Title I meetings, school open house conferences, connect-ed calls, and school to home flyers.

Other Citizen:

Business partners are invited to participate including our main sponsor Achieva.

Students:

Chairperson:

A general email went to staff explaining the role and encouraging anyone interested to follow up with the SAC Chairperson. Follow up reminders during staff meetings as well as individual recruiting of interested persons in the role led to nominations forming the 2016 ballot.
