**Description of how council membership reflects ethnic/racial and socioeconomic community served by the school and of efforts to include them:**

Emails, letters, phone calls discussions were held with many parents to invite them to sit on the SAC committee for the 2017-2018 school year. Many parents declined due to child care and/ or work issues that prevented them from attending any of the meetings. Every effort will continue to be made to include the ethnic/racial and socioeconomic diversity of our school.

Describe the election process of each group except "other citizens." For this group, describe the selection process.
