Description of how council membership reflects ethnic/racial and socioeconomic community served by the school and of efforts to include them:

**Phillippi made many attempts to recruit SAC members. We put a sign-up sheet in every classroom at Meet Your Teacher. We advertised on the marquee and recruited members through the PTA. We made every effort to try to create a SAC that mirrors the racial/ethnic composition of the school.**

Describe the election process of each group except "other citizens." For this group, describe the selection process.

**Teachers (includes counselors, media specialists, etc.):**

**All teachers were given the opportunity to be on SAC. All teachers who were interested were placed on the committee.**

**Classified:**

**All classified staff were given the opportunity to be on SAC. All teachers who were interested were placed on the committee.**

**Parents:**

**Sign-up sheets were available at Meet Your Teacher, PTA General Meeting, and several other events. We advertised to parents to sign up for the SAC committee on the marquee, the school website and by emails. We then followed up with phone calls to verify that they were still interested in serving on SAC prior to placing them on the committee.**

**Other Citizen:**

**Phillippi Business Partners were asked to be on SAC.**

**Students:**

**We do not have students on SAC.**
