[Dressing Warm on Cold Days](#)

Recently the weather has been chilly enough for students to wear jackets to school. Please be sure to dress your children in warm clothing. LNS students go outside everyday and walk outside when they are going from class to class. We want to ensure that each student stays warm.

Please label the inside of your student's belongings in the event that something goes missing. In addition, please be sure to check the school's lost and found desk in the

cafeteria when you visit the school. If you are in need of these items, please notify the front office that you would like to get a few things from the school's Clothes Closet.

SCHOOL DISTRICT NEWS: New School Calendar

An 11-member district committee of school and district administrators, teachers, support staff and parents developed the proposed school year calendars for the 2017-18 and 2018-19 school years. The School Board approved the draft calendars to be advertised to the public at its meeting on Oct. 18 and the public was invited to comment on the proposed calendars until Friday, Nov. 11, 2016.

After the comment period the committee considered any suggested changes and submitted the final proposed calendar to the School Board of Sarasota County for approval. During the regular School Board meeting on Tuesday, Dec. 6, 2016, the School Board voted unanimously (5-0) to approve the proposed calendars for school years 2017-18 and 2018-19. The link below goes to the draft calendars as recommended by the committee; those calendars are now official.

See the proposed calendars for 2017-18 and 2018-19 at this [link](#).

The committee recommended that school in Sarasota County start Monday, Aug. 14, 2017, and end Thursday, May 24, 2018. The following school year, the start day would be Monday, Aug. 13, 2018, and the last day of school would be Friday, May 24, 2019. In both years, the earlier start date would mean that first semesters and related exams at high schools will be completed before the winter break. The schedule for both years also would end the school year before the Memorial Day weekend.

School Choice Application Period Open and Tours Scheduled

Florida's school choice program ensures that no child will be left behind by allowing parents to choose the best educational setting-public or private-for their child. School

choice application forms are available at all public schools and at selected daycare facilities, or by contacting the Office of School Choice at, {991} 417-9000, ext. 32255.

Beginning in the 2017-2018 school year, parents/guardians residing in Florida can apply to have their grade K-12 students attend a public school in any school district within the state through Controlled Open Enrollment (COE), also called "Regular School Choice." Parents/guardians interested in COE for other Florida districts are responsible for directly contacting the districts of interest to learn more about their policies, timelines and application procedures. Transportation is not provided for students receiving a school choice assignment through COE. Parents/guardians are responsible for transporting their child to and from school.

Parents who would like their children to attend a Sarasota County public school in 2016-17 other than their districted school are invited to submit a school choice application from Monday, Feb. 13th, through Monday, March. 20, 2017. [More information about the application process will be available after February 7, 2017 at this link.](#) A list of Open/Closed Schools will also be made available at that same link.

Laurel Nokomis School will host School Choice tours on at 9:00 AM on February 13th, 14th, 22nd, 28th and on March 6th. In addition, LNS will also host a tour at noon on March 7th. Due to the high demand for school tours, tours will only be scheduled during these days and times to minimize disruption during instructional hours. Please contact the front office if you have any questions.

School Closed for Presidents Day

Presidents' Day is an American holiday celebrated on the third Monday in February. Originally established in 1885 in recognition of President George Washington, Presidents Day is still officially called "Washington's Birthday" by the federal government. While several states still have individual holidays honoring the birthdays of Washington, Abraham Lincoln and other figures, Presidents' Day is now popularly viewed as a day to celebrate all U.S. presidents past and present.

This year Presidents day is scheduled on Monday, February 20th. There will be no school on that day in celebration of Presidents Day.
