Art and Soul Dance

<http://artandsouldance.com/>

Available for June and July 2018

No previous dance experience necessary!

Located in our state-of-the-art Dance Training Facility, our camp offers dance and activities that are sure to excite, challenge and engage each and every child.

We offer instruction in Jazz, Tap, Ballet and Hip Hop and wrap up each week with a camp recital for parents to enjoy.

Dream Oaks Camp

<http://www.foundationfordreams.org/programs/>

At Foundation for Dreams, we believe a child's unique abilities should be not only recognized, but celebrated. Our program, Dream Oaks Camp, provides an exceptional camping experience for children with special needs and chronic illnesses ages 7-17. Each camp session has a theme and activities that are designed and tailored to meet the needs of each child we serve by modifying strategies to include participation of all campers, despite their physical, emotional or developmental challenges. We plan these with the mindset that each child will participate, learn new skills and take on many new challenges by focusing on what the child can do, rather than their limitations.

We use research-based practices to monitor and facilitate specific targeted goals identified by parents, physicians, teachers and/or caregivers that fall within 4 domains. These domains include: social interaction, activities of daily living, health and hygiene skills and/or behavior strategies.

Our staff receives intensive training to provide a supportive environment where individuals feel both physically and psychologically safe to participate. By maintaining a low camper-to-staff ratio of 3:1 or better, we can focus on each child's strengths and potential.

Children that attend regularly often achieve significant developmental, functional and behavioral gains that can be developed and sustained across multiple settings. Our campers truly develop a sense of belonging and recognize that Dream Oaks Camp is a special place they can call their own.

Sarasota Youth Sailing

<http://www.sarasotayouthsailing.org/summer-sailing/>

We will be continuing our full day US Sailing Reach-STEM class. Utilizing the sport of sailing, the students will explore science, technology, engineering and math while sailing and exploring Sarasota Bay! This class we use Hobie Waves, Hobie Bravos and other boats.

We have expanded our O'Pen Bic fleet to 8 boats and can't wait to get more kids sailing these fun boats! This class is for sailors who are 8 and older and who have completed Opti Level 2 or 420 Level 1. The Bics are a fun singlehanded boat. More info below.

Our summer camp is the longest running water sports camp in Sarasota! Many of our parents/grandparents and instructors grew up in our program.

Our sessions (two week half day or one week full day) are \$350. The first session and the July 4 session will be \$315 since we will be missing one day.

We do offer a limited number of scholarships. [Summer Camp Scholarship Application](#)

We hold camp rain or shine. If there is inclement weather we have activities in a sheltered area. Our summer camp is conducted during hurricane season. If we are forced to close due to hurricane or tropical storm conditions, there will be no refund.

Creative Kids Camp

Monday-Friday

9:30am-3:00pm

Art Center Members \$185/week

Non-members \$210/week

Each week campers will be led by the teacher in projects related to the theme of the week using various mediums including painting, drawing, sculpture and collage. Campers will learn and practice basic art skills such as color mixing, painting with artist paintbrushes and drawing with pencil, marker, pastel and more. All work done during the week will be kept at camp until Friday when campers will have a presentation for their parents at 2pm on Friday.

Creative Kids Camp is for younger campers of all skill levels and accomplishments. Our teachers are great at creatively adapting projects and working with variety of skill levels and dexterities.

Emerging Artists Camp

Art Center Members \$185/week

Non-members \$210/week

Every week campers will experiment with a multitude of art mediums including painting, drawing, sculpture, collage and more designed around a central theme. Themes apply to both camps with unique and independent projects done in each one. Campers will practice art making skills that will expand and challenge the skills they already have in a safe, encouraging and fun environment surrounded by artwork that is in the Art Center's four galleries. They will learn and hone art skills and color mixing, how to paint with artist paintbrushes and draw with artist quality pencils, markers, pastels and more. Every Friday afternoon campers will present for family and friends. Both camps will have lunch, before care and after care and Friday presentation together.

Emerging Artists is a new program for older campers (ages 11 -15) to experiment with more complex art subjects and materials and create projects of their own design under the guidance of our skilled art teachers.

Fashion Boot Camp

Art Center Members \$140

Non-members \$170

For artists (ages 8-18) who would like try their hand at making fashion from unconventional materials. The instructor is iconcept artist Barbara Gerdeman, along with other iconcept artists. They will work with students to help them create fashion and accessories using

unconventional and some conventional materials. Students will learn about fashion design, construction, creative thinking and more. Art Center Sarasota will have variety of limited materials for students to experiment and construct with. Campers are encouraged to bring design ideas to camp and may need to bring their own materials from home.

For a full week of camp, campers can attend 3 days of boot-camp and 2 days of art camp. Cost is \$210m/260nm. Please inform the staff before registering for this option to insure that space is available.

Jungle Gardens

- Fees indicated below:

<http://www.sarasotajunglegardens.com/Special-Programs/Summer-Zoo-Camp>

Sarasota Jungle Gardens Zoo Camp, unlike any other camp in the area, explores nature through hands-on games, crafts, demonstrations and other fun activities! Come explore behind the scenes as you learn about caring for our animals. There's lots of animal interactions and trekking through the jungle. You'll see firsthand what it takes to be a zookeeper as well as learn about other animal related professions. Camp is geared for children who have completed Kindergarten through 8th grade and includes something new every day! For children 14 or 15 years old, our Junior Counselor program might be perfect. This program provides supervision to older kids while teaching leadership and responsibility. Junior Counselors pay a reduced rate for camp, shadow adult counselors and mentor younger campers.

Sarasota Orchestra

<https://www.sarasotaorchestra.org/education/summer-music-camp>

Classical Camp with an Unclassic Twist

This is not your mother's summer camp. There are no lessons in tent pitching, just pitch-perfect practice. Instead of sleeping under the stars, you'll serenade some of history's most stellar. Repetition of dignified anthems will replace flag ceremony. You'll have fun skipping rocks octave to octave, rather than across the lake. And your playful counselors will help you scale up harmonic trails instead of hillsides.

But one camp staple remains unchanged. Participants will leave the Summer Music Camp with friendships and memories to last a lifetime.

School-aged children on summer break can maintain or gain musical skills during the Sarasota Orchestra's summer program **June 25 - July 13, 2018**. Offering the perfect escape from hot Florida summer days, campers will enjoy this three-week musical adventure in an air-conditioned concert hall. No prior experience is required, this camp is open to students of all abilities and is the ideal time for a beginner to try out a musical instrument or for intermediate and advanced students to hone their own skills or sample something new. Activities for string, wind, brass and percussion students include daily rehearsals in a large ensemble, a technique class, and skill-building in a rhythm class. Classes are kept to manageable sizes, so every student receives individual attention.

Girls Inc.

- *Tuition information below:*

<https://www.girlsincsrq.org/programs/summer-camp/>

Campers will explore the community, join micro-society, participate in sports, stretch their creativity, acquire valuable life skills, join clubs, learn about the environment, make new friends and have fun. Each girl will participate in activities that involve them in our nationally researched and developed programs. Themes include: Culture and Heritage, Operation S.M.A.R.T., Sport and Adventure, and more!

Fee Schedule

- \$250 per 2 week session
- Pay for the entire summer in advance and receive the last week free!
- \$25 registration fee (non-refundable)
- Financial Assistance and sibling discounts available.

Sarasota Opera

- *Tuition information below:*

<http://www.sarasotaopera.org/summercamp.aspx>

Summer camp is a three-week, hands-on workshop held at the Sarasota Opera House every June that immerses young people in all aspects of opera.

Though opera may sound scary or weird, we are here to show you that opera can be fun on and off the stage.

Participants experience the magic on stage and behind the scenes as they study many facets of opera - from music and acting to opera appreciation and technical production - under the direction of Sarasota Opera's professional staff.

No audition required, all skill levels are welcome!

Selby Gardens

- Tuition information below:

<http://selby.org/events/event/selby-summer-camp-lookout/>

Selby's Summer **Camp Lookout!** is a full-day camp, designed for campers aged 6-10. With a different theme each week, mornings are packed with plenty of time in the great outdoors, wading in our waters, climbing the trees and catching bugs - the way a child's summer should be! After lunch, Camp Lookout moves indoors, and becomes **Camp Look!Art!** dedicated to fun craft projects and artistic exploration of the weekly theme. Register for one week, two weeks, or all three! (Three 1-week sessions, June 11-29)

NEW THIS YEAR - Camp GreenSTEM for middle schoolers! Designed for 11-13 year olds with a demonstrated interest in science and the environment. Camp GreenSTEM will immerse future problem-solvers, innovators, and game-changers in hands-on inquiry and open-ended exploration of real world environmental issues that they can embrace and take action on to make a difference in their own neighborhoods and the larger world. (1 week, June 4-8)

Registration for each week of Camp Lookout is limited to 30 campers. Camp GreenSTEM is limited to 20 campers. **9:00 am to 3:00pm. Drop-off begins at 8:30 AM, pickup by 3:15pm**

Weekly Camp Tuition: \$200.00 Gardens members
\$220.00 non-members

Consent forms must be submitted on or (preferably) before check-in on Day 1 of camp.

WEEKLY THEMES:

Camp GreenSTEM: June 4-8

In this week-long session, middle school campers will investigate human impacts on Sarasota Bay and other waters, learn from Selby staff and other local scientists and environmental professionals, discover interesting career paths in STEM fields, and engage in meaningful and productive teamwork to define and do background research on the problems, develop ideas for solutions, create prototypes, and test their designs.

Camp Lookout Week 1: June 11-15

"Bird is the Word!"

The sky is the limit this week, as campers celebrate birds....and bugs! We'll discover how winged creatures defy gravity, turn our eyes to the skies to look for raptors, explore the shore for seabirds, go batty for flying mammals, listen to the buzz about butterflies and other insect pollinators, learn how to invite feathered friends to our own backyards, and even meet local birds up close! Imaginations will take flight and creativity will soar in the afternoons with art and craft projects featuring things with wings!

Camp Lookout Week 2: June 18-22

"On the Dock of the Bay"

This week campers will make a splash and sweep Selby's shores for interesting discoveries, search for the fascinating creatures that live in the Bay, discover the adaptations that allow plants and animals to live in a watery world, and learn about how life on land affects life in the ocean, and how we can help! After lunch, "whale" come ashore and spend the afternoons creating fun ocean-themed art projects.

Camp Lookout Week 3: June 25-29

"Flower Power"

Young tree-huggers and plant lovers will spend this week going on a 5-senses tour of Selby Gardens! Campers will taste foods growing in our Rainforest Garden, learn about amazing plant adaptations, hunt for garden critters and uncover habitat diversity, get their hands dirty harvesting veggies and planting their own seedlings, discover how plants have helped people throughout history, press plants like a Selby botanist, and make beautiful floral and nature-inspired art. This week coincides with the final week of Selby's **Warhol: Flowers in the Factory** exhibit, and campers will have the opportunity to explore the galleries and create their own-pop-art masterpieces.
