

Venice Elementary School Supply Lists 2018-2019

A **\$15 consumable expense** per student has been added to all grade level supply lists. Along with the typical student supplies necessary, teachers often purchase instructional products for their students that need to be replaced each year.

For the 2018-2019 school year the \$15 expense will be used to purchase the following items:

Kindergarten-1st Graders: Leveled books, called “Keep Books”, designed for students to practice reading at home and to share their love of reading and increasing ability with family throughout the year. Students in K-1 will “shop” for take-home books matched to their reading level as part of their weekly homework to “keep” and build your at-home library. This fund will help us expand the take-home book library and replace lost or damaged books throughout the year.

2nd-5th: Ready Florida ELA student books to enrich our current instructional program. These consumable student books provide rigorous, on-grade level, teacher-led instruction matched with exciting texts that students can engage in repeatedly and bring home when complete! Being able to write directly on the texts in these books will allow students the opportunity to practice close reading strategies to deepen comprehension

***Please note that each teacher's supply list may vary. Please obtain your child's specific supply list at Meet Your Teacher on August 10, 2018.**

Kindergarten

1 pkg. pencils
4 pkgs. Crayons (24 count)
1 Pair scissors
