Accordingly, in order to secure the property, and otherwise comply with applicable law, the Design Professional agrees to the following provisions and also agrees that the failure to comply with any of these provisions may result in the termination of this Agreement:

7.9.1 Unauthorized Aliens. Owner considers the employment of unauthorized aliens by the Design Professional or any of its subcontractors, a violation of Section 274A(e) of the Immigration and Naturalization Act. If it is determined that an unauthorized alien is working on the Project, the Design Professional shall take all steps necessary to remove such unauthorized alien from the property and the Project. (ii) Subcontractors shall provide Contractor with an affidavit stating the subcontractor does not employ, contract with, or subcontract with an unauthorized alien, as stated in Section 448.095, Florida Statutes.

(iii) Contractor shall provide a copy of such affidavit to the School Board upon receipt and shall maintain a copy for the duration of the Agreement.

C. Failure to comply with this provision is a material breach of the Agreement, and School Board may choose to terminate the Agreement at its sole discretion. Contractor may be liable for all costs associated with School Board securing the same services, inclusive, but not limited to, higher costs for the same services and rebidding costs (if necessary).

7.9.2 Possession of Firearms. Possession of firearms will not be tolerated on the Project or the Owner's property. No person who has a firearm in their vehicle may park their vehicle on the Owner's property. Furthermore, no person may possess or bring a firearm on the Owner's property. If any employee/independent contractor of the Design Professional, or any of its subcontractors, is found to have brought a firearm on to the Owner's property, said employee/independent contractor shall be removed and terminated from the Project by the Design Professional. If a subcontractor fails to terminate said employee/independent contractor, the Design Professional shall terminate its agreement with the subcontractor. If the Design Professional fails to terminate said employee/independent contractor or fails to terminate the agreement with the subcontractor who fails to terminate said employee/independent contractor, this Agreement may be terminated by the Owner. "Firearm" means any weapon (including a starter gun or antique firearm) of an explosive; the frame or receiver of any such weapon; any destructive device or any machine gun. Powder actuated construction nailers and fasteners are excluded from this definition.

7.9.3 Criminal Act. Employment on the Project by the Design Professional, or any of its subcontractors, or any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Design Professional agrees to take all steps necessary to remove such person from the Project and the property. The Owner shall have the right to terminate this Agreement if the Design Professional does not comply with this provision.

7.9.4 Sexual Predators/Sexual Offenders. In order to insure that no sexual predators or sexual offenders are working on the project site, the Design Professional shall perform a query of all its employees/independent contractors working at the project site, and require all of its subcontractors to perform a query of their employees/independent contractors working at the project site, against the Florida Department of Law Enforcement Sexual Predator/Offender Registry (www.fdle.state.fl.us). Any person who is on the Sexual Predator/Offender Registry shall not be allowed on the Project, and the Design Professional shall immediately remove such person from the Project and the property. The Design Professional shall, upon request by the Owner, provide evidence that such queries have been done on all personnel working at the project site. The Owner shall have the right to terminate this Agreement if the Design Professional, or any subcontractor, does not comply with this provision.

7.9.5 Possession/Use/Under the Influence of Mind Altering Substances. Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by the Design Professional's employees/independent contractors or its subcontractors' employees/independent contractors will not be tolerated on the Owner's property. If any employee/independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on

the Owner's property, said employee/independent contractor shall be removed and terminated from the Project by the Design Professional. If a subcontractor fails to terminate said employee/independent contractor, the Design Professional shall terminate its agreement with the subcontractor. If the Design Professional fails to terminate said employee/independent contractor or fails to terminate the agreement with the subcontractor who fails to terminate said employee/independent contractor, this Agreement may be terminated by the Owner.

7.9.6 Background Screening Requirements. The Design Professional agrees that before any of its employees, agents or sub-contractors will be permitted on school grounds while students are present, such employees, agents or sub-contractors will be fingerprinted and have their backgrounds checked as provided by Florida law. The Design Professional's employees, agents and sub-contractors will coordinate with the Owner to arrange a mutually convenient time for the Owner to conduct the fingerprinting. The Design Professional agrees to bear the cost of the fingerprinting/background checks. The Owner has the right to refuse entry onto any school grounds to any individual whose background check does not meet the requirements established by the Owner pursuant to Florida law.
