

## Summer 2022 EOC Testing Information

Please share the following information with parents and students, as appropriate:

### What?

Summer 2022 EOC assessment testing for Algebra 1, Geometry, Biology, US History and M/J Civics (Middle School)

### Who?

The following students are eligible to test in the Summer EOC test window:

1. Any student who has taken Algebra 1, Geometry, Biology or U.S. History in a previous school year and did not take/pass the EOC assessment for either their final grade calculation or to meet their graduation requirement. EOC assessments are not required for the final grade calculation if the course was taken in 2019-2020 and/or 2020-2021.
2. Any student who has completed 80% of a **virtual course** in Algebra 1 or 1B, Geometry, Biology, U.S. History and/or Civics which requires an End-of-Course assessment for a final grade.
3. Any student who failed an EOC, received an EOC waiver in Spring 2020 and/or did not take a required EOC in Spring 2021, but wishes to achieve a Scholar Designation upon graduation. To qualify for a scholar diploma designation on a standard high school diploma, a student must earn a passing score on each of the following statewide assessments: Geometry, Biology, and US History.
4. Any student who wishes to earn high school credit in courses required for high school graduation through the passage of an End-of-Course assessment (CAP): Algebra 1, Geometry, Biology, and US History.

### Where?

The assessments will be administered at the following locations: **Sarasota High School** and **North Port High School**. Students will be able to select their preferred test location during the registration process.

### When?
