Corporate Sponsorship Opportunities

Dear Bay Haven Families, Friends, Staff & Sponsors,

We are so looking for another outstanding year at Bay Haven School of Basics Plus! We are so grateful to those of you who have supported Bay Haven and helped to make it the unique, collaborative and effective educational experience that our students and families value so greatly! A grade "A" school -You are part of our village - helping us to make Bay Haven the best elementary school in the Sunshine State!

We are the only magnet elementary school in Sarasota County and enjoy an outstanding reputation for academic, emotional, musical, and artistic success – our list of awards and distinctions is long.

How has Bay Haven achieved this success?

- **STAFF:** Principal, Chad Erickson, is dedicated to creating and retaining a team of educators who work together with students and families to strengthen relationships, teach and expect positive behavior choices, challenge all students with rigorous academic standards and celebrate cultural diversity.
- **FAMILIES:** Bay Haven contracts with staff, students and parents to commit to the expectations that they behave in a manner that is Respectful, Responsible, and Safe. All parents are expected to volunteer at the school for at least 10 hours per school year and to attend PTO meetings.
- **SPONSORS:** With the financial support of families and businesses, like yours, our Parent Teacher Organization is able to provide supplemental resources to each classroom and to the school as a whole that make a qualitative difference to the educational experience of each student.

Maintaining our historic campus and creating an innovative and compassionate learning environment takes the involvement of our whole community!

We are looking for Corporate and Family Sponsors who want to invest in creating an even more enriching and nurturing environment for our community and its most precious resource.

If you have been a Bay Haven Sponsor in the past, I hope that you will consider renewing your sponsorship for the 2019-2020 school year.

Our sponsors have found that their investment supports resources unavailable through district funding alone. These resources include classroom supplies, educational tools, hands on learning field trips, school spirit tee shirts, learning centers, books, and other school necessities that promote school spirit and encourage the respectfulness, responsibility and safety of our students, teachers and families. For people who care about the education of the next generation, this is a win-win opportunity!

If you are interested in renewing your sponsorship or becoming a new sponsor, please review the sponsor descriptions, complete the attached form, include your business card/logo, and return to the Bay Haven PTO office. If you have any questions, please contact Kristie DeSantis by email Bayhavenpto1@gmail.com or send a note via kid express in an envelope marked PTO.

Thank you for supporting Bay Haven School of Basics Plus, A Bright Spot By the Bay!!

Kristie DeSantis, On Behalf of Bay Haven PTO
