Hall Passes

If a student is transitioning outside of their designated area, they must have a hall and/or clinic pass visible and readily available, at all times.

Students will not be permitted to leave the classroom to obtain a hall pass from their previous teacher/location.

2023-24 SCHOOLWIDE POLICIES & PROCEDURES CONT.

Classroom Bathroom/Water Fountain Usage

Each teacher will have a red/green circle next to their hallway door to provide a visual signal to students when the area is available for use.

Only 1 student may leave the classroom at a time.

If **red**, the area is occupied and/or not available to use during teacher instruction.

If **green**, students may ask permission to leave the classroom. Then they must sign out.

As students leave, they will flip the sign to red, then green when they return.

Students may not access electronics in this area.

Tardy Policy

When a student is tardy, teachers will mark "tardy" in the gradebook.

After 3 tardies to a class period, the teacher will contact home.

After 5 tardies to a class period, teacher will send home a notice of concern to parent/guardian for signature. A support staff member will contact home to schedule an afterschool detention.

If tardies continue, it may result in a discipline referral. Students have 4 minutes for class transitions.

Tardies will be reset every 9 weeks.

If released late, teacher should provide students with the designated hall pass and/or send an email to staff to excuse the students' tardy.
