# JUNIOR CHECKLIST

## FALL

- Start your year strong and keep a positive attitude.
- Continue to research career opportunities and the degrees or certifications needed for that career
- Make time to study for and take the SAT and/or ACT in the spring. Consider a test prep course if you struggle with standardized testing.
- Continue to enjoy leadership roles and job shadowing; join clubs of interest
- Create and maintain a resume that highlights your activities, academics, and volunteer services
- Attend college rep visits and college fairs
- If you are considering sports in college, review the NCAA process on their website: <https://web3.ncaa.org/ecwr3/>
- Visit the Student Success Center and talk about steps to your future and how to prepare for a busy Senior year.
- Read up on all the requirements for Bright Futures.
