Stay connected with the NEW **Sarasota County Schools** mobile app!

The new mobile app will keep you connected with the school news you want and need.

With the app you can:

- Get the latest district and school news.
- Select the schools you want to follow.
- Get push notifications about breaking news, closures, weather, events, and more.
- Login to view classes, attendance, library information, cafeteria balance, and more.
- Tap to see school locations, phone numbers, and staff information.

It's FREE to download:

1. Visit iTunes App Store® or Google Play®
2. Search **Sarasota County Schools**
3. Then select the Sarasota County Schools app for **FREE download**

Mobile App Login

Logging in to the mobile app will provide a dynamic overview of student specific information.

Parent Login:
- Parents can log in using their parent portal username. App passwords are unique. To have a password emailed to you, click the "Forgot Password" link on the login page, then enter your parent portal username.

Student Login:
- Students can log in using their N# and Pin.
