

Facials Specialty 2023-2024 SUPPLY LIST

Facial Tool Kit

Retail Providers: Amazon, Target, Walmart, Sephora, Ulta, or the like

- » **Sally's Beauty Supply** – provide student number and ID for professional discount
- » **Universal Companies** – provide student number and ID to create an account
- » **CosmoProf** – provide student number and ID to create an account
- » **Salon Centric** – provide student number and ID to create an account

*** Students will want an account with all of the providers bulleted above regardless. Cosmo Prof is easy to download the app on your phone. Salon Centric, students will want to do so in person at a retailer. Once that is completed, it is more user friendly.
