

(School Code – 013689)

Title IV Financial Aid Application Checklist

To ensure timely processing of financial aid requests, all required documentation **MUST** be submitted at minimum 30 days prior to orientation, or the start of class, whichever comes first. Upon receipt of completed documentation, the STC Financial Aid Office will review documents and advise you of potential aid opportunities. You must accept financial aid to receive an award notification and deferral of fees.

Please note submission of financial aid request does not guarantee a student will receive financial assistance. If financial aid is granted, please understand that the initial disbursement may not be sufficient to cover all fees due at the time of registration. All students should be prepared to make payment of applicable fees at time of registration.

- STEP 1 – In order to fill out the FAFSA (Free Application for Federal Student Aid) online you will need the previous year's tax returns for you and/or your parents.
- STEP 2 – Go to <https://fafsa.ed.gov> Create a FSA ID. This is a password you create yourself. This is what you use to sign your application electronically.
- STEP 3 – Follow the directions for filling out your FAFSA
- STEP 4 – When asked what schools you want to receive your application, enter Suncoast Technical College's school code (013689). Be sure to save and submit application.
- STEP 5 – One week after submitting your FAFSA YOU MUST CALL SUNCOAST TECHNICAL COLLEGE TO SEE IF YOUR APPLICATION HAS BEEN RECEIVED. At this time, further information will be provided as to the next steps in completing your financial aid file.
- STEP 6 – You may be selected for verification of documents. If you are selected for verification, you must submit your tax returns and other documents to the financial aid office. Suncoast Technical College has no control over verification selections.
- NOTE: To be eligible for financial aid, you must have a standard high school diploma or a GED.

Students are eligible to apply for the Suncoast Technical College Campus Based Scholarships regardless of their qualifying for Title IV funds. A FAFSA is still required. Please see Financial Aid for more information.

Surgical Technology	1,330

Sarasota County Schools offers multiple career and technical programs wherein students may earn industry certification. The district prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information (and other protected classes included in the district's nondiscrimination policies). Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation. Any person who believes he or she has experienced any such prohibited discrimination may file a complaint with the district Equity Coordinator Al Harayda by calling (941) 927-9000, ext. 31217, or writing him at 1960 Landings Blvd., Sarasota, FL 34231.
