SPECIAL REPORT

## Best Public High Schools in Every State

Grant Suneson

October 5, 2021 2:00 pm

### Florida: Pine View School

- > **City/district:** Sarasota County Schools
- > **Enrollment:** 1,877
- > **Student-to-teacher ratio:** 17:1

Pine View School in Sarasota County stands out as the best public high school in Florida, beating out nearly 700 other schools. The magnet school in Osprey educates students in grades two through 12 and also ranks as the best elementary and middle school in the state as well.

Pine View School students tend to perform very well on exams — 99% of students tested as proficient in math and reading. Also, the average SAT and ACT scores are both well above the national average, at 1380 and 32, respectively.
