FAMILY (PARENT) PORTAL INFORMATION

As we embark on the 2023-24 school year, we are encouraging our parents and guardians to utilize the Family (Parent) Portal to monitor their child's assignments, grades and attendance throughout the school year. You can also utilize your portal to add or remove emergency contacts. _For middle and high school students- the Portal is now open, and this is how parents and students can view course schedules._

If you have not yet set up your Parent Portal account, instructions are provided below so you can easily get started. Each parent/guardian should set up their own separate account. If you need any assistance with setting up your portal, please contact Sue Manders, Registrar, at 941-486-2001.

Step 1: Go to https://www.sarasotacountyschools.net/

Step 2: Click on "Parents & Students" at the top of the web page

Step 3: Click on "Family (Parent) Portal" listed under Technology Resources

Step 4: Click on "New User Registration" located just under the Sign-in

Step 5: Click on "I Accept" after reading the terms of agreement

Step 6: Fill out the New User Registration accordingly and submit

You will get a Confirmation Code sent to your email address once you submit. You will need that code when you log into your Portal Account for the first time.
