2020-2021 VOLUNTEER INFORMATION

The safety of students, families, and staff is our number one priority. At this time, based on current COVID-19 restrictions, the Center for Disease Control and Prevention (CDC) and the Florida Department of Health guidelines; the district is suspending school-based volunteer and community partner activities until further notice. As new information regarding school openings becomes available, we will communicate and post notification as to when volunteers can resume volunteer activities.

2020-2021 Volunteer Application Process:

For the 2020-2021 school year, Sarasota County Schools will be implementing a new volunteer application system (Raptor). Updated information will be provided regarding the process for volunteers and community partners after OCI's summer break.

Please remember the Office of Community Involvement will be closed for summer break starting Tuesday, June 23rd and returning to the office on Tuesday, July 21st.
