CHAPTER 8.00 - AUXILIARY SERVICES

SAFETY 8.10*+

I. The safety of pupils, employees and visitors shall be the responsibility of the authorized person in charge of each site owned or operated by the School Board. The supervisor of each site or facility shall cause to be established a school safety team which shall be responsible to identify, prevent and mitigate issues that pertain to safety, security, and emergency management issues and to advance the promotion of safety education and accident prevention program for that site. Committees shall meet a minimum of four times per year, preferably once per grading period.

II. Schools shall cooperate with the police, sheriff’s department, fire department and other agencies promoting safety education.

III. To assist in carrying out the responsibilities for safety, each principal shall appoint a member of the staff as school safety team coordinator.

IV. No person shall bring on any School Board premises or have in his/her possession or in his/her vehicle on any School Board property, any firearm, weapon or destructive device unless such weapon is required as part of his/her regular job responsibilities and authorized by Florida Statute and School Board Policy.

V. Nonmedical School District personnel shall not perform invasive medical services that require special medical knowledge, nursing judgment and nursing assessment, including but not limited to: sterile catheterization, nasogastric tube feedings, cleaning and maintaining a tracheostomy and deep suctioning of a tracheostomy. Nonmedical assistive personnel can perform health related services upon successful completion of child-specific training by a registered nurse. These procedures, which include but are not limited to clean intermittent catheterization, gastrostomy tube feedings, monitoring blood glucose and administering emergency injectable medications, must be monitored by a nurse. A registered nurse shall determine if nonmedical School District personnel shall be allowed to perform any other invasive medical services not listed above.

VI. A child under the age of sixteen (16) shall wear appropriate headgear as required by law for any equine activity on a public school site. Students shall wear appropriate headgear when participating in an off campus, school sponsored equine activity as required by law.

VII. The Superintendent or designee shall require that hazardous conditions found on any School Board property be reported immediately and that reported hazards be investigated and corrected or removed, as appropriate.

VIII. School alarm systems shall be monitored on a monthly basis or more frequently as needed. Any malfunction shall be reported for immediate repair.
CHAPTER 8.00 - AUXILIARY SERVICES

IX. The Superintendent shall develop appropriate emergency management and emergency preparedness plans. Emergency plans shall include notification procedures for weapon use and hostage situations, hazardous materials and toxic chemical spills, weather emergencies, and exposure resulting from a manmade emergency.

X. The School Board delegates to the Chief of the Sarasota County Schools Police (SCSPD) Department the authority to develop and implement appropriate General Orders relating to the administration of the SCSPD. These General Orders must comply with State law and may not be inconsistent with the provisions of any collective bargaining agreement(s) between the School Board and any bargaining unit representing members of the SCSPD.

XI. The District shall annually conduct a self-assessment of safety and security practices. Based upon this self-assessment and other concerns, if applicable, the Superintendent shall present appropriate recommendations to the School Board for increasing safety and security and the School Board shall take such actions as it deems necessary and appropriate to address safety and security in the District or at individual sites.
