The Superintendent shall develop and implement a program to ensure School Board employees are provided information concerning the nature of toxic substances which are used in the workplace. The program shall include, but not be limited to:

I. Notification of School Board employees of where to direct requests for information on such substances;

II. An orientation session, within thirty (30) days of employment, for all new School Board employees to advise them of any adverse health effects which may occur as a result of contact with toxic substances; and,

III. Distribution of information regarding the use of any toxic substances in the district school system to the local fire department.
