

AP PSYCHOLOGY SUMMER ASSIGNMENT

NOTE CARDS

Directions: Create a set of note cards on the top psychologists.

1. Cards should be 3X5 lined-index; I recommend purchasing a card box.
2. The top card should list your name in the upper left-hand corner and "Summer Assignment" in the center
3. This assignment must be handwritten and in pen (feel free to color-code, your brain likes it!!)
4. Write your initials in the upper left-hand corner of each card
5. I recommend Quizlet, allpsych.com, itseducation.asia/psychology/ and Wikipedia.
6. The cards should be formatted as follows:

FRONT OF CARD

of card - upper right-hand corner
psychologist = center of card
your initials - upper left-hand corner

BACK OF CARD

CONTRIBUTIONS = this should
succinctly detail the major
contributions/ideas/studies of the
individual

If you have any questions or want further clarification, email me. I will get back with you when possible.

See you in August,
Mrs. McNellis
