Martin Luther King Jr. Day was January 15th!

Join us in honoring the life and
legacy of Dr. Martin Luther King
Junior!

** January 15, 1929, is Dr. King's actual
birthday, but the holiday is celebrated on the
Monday that falls closest to it (the third
Monday of January). This year would have
been Dr. King's 95th birthday.*

**Congratulations to Ronnique Major,
a fifth-grade teacher at Emma E.
Booker Elementary, for being named
