Exceptions:

*Some of the providers listed above offer multiple types of online classes. Self-paced tutorials without built-in assessments will not be approved for in-service credit.

*Industry-approved providers are acceptable when used to meet industry certification, i.e. counselors, nurses, psychologists, social workers, therapists, cosmetologists, automotive tech, etc...

*Online university classes which earn a letter grade are acceptable for in-service credit – Official transcripts should be sent directly to the Human Resources Department.

*Out-of-District Online classes not listed here but mandated by district offices are acceptable.
