

## CHAPTER 5.00 – STUDENTS

### ADMISSION TO KINDERGARTEN

5.11

Any child shall be eligible for admission to kindergarten if he/she has attained the age of five (5) years on or before September 1 of the school year. Provided, however, a child who transfers from another state or country shall be admitted under the same age requirements as established in the state or country where he/she previously resided and if the transfer of the student's academic credit is acceptable under the rules of the School Board. Before admitting a child to kindergarten, the principal shall require evidence of

- I. The child's date of birth in the manner provided by Florida Statutes;
- II. An up-to-date immunization record; and,
- III. A school-entry health examination conducted within one (1) year prior to enrollment in school in accordance with Florida Statute.
