

Astro Care Registration
for 2022 – 2023
THURSDAY, MAY 19TH
BEGINNING AT 7:00 A.M.

Registration for the 2022-2023 Ashton childcare program will take place on Thursday, May 19th at 7:00 A.M. in the front office. We will NOT accept any applications before this date. *All current and prospective families must submit a new application to be considered for this program.* If you have been on the WAITING LIST this year or in the past, you MUST submit a new registration packet. We will not use a previous application to register your child/children.

If you are currently in our Astro Care program, you will also have to register your child on May 19th. You are NOT automatically enrolled in Astro Care. Our program operates on a first come basis each school year so that every family has an equal chance to register their child/children. We are also limited with the number of students that we can accept into our program. Once a grade level is full, your child/children will be placed on a waiting list and we highly suggest that you find alternative childcare. Our program fills quickly and is usually full BEFORE the new school year begins! Later, if we do have openings, we will email you to see if you still have an interest in our program.

When submitting your registration packet please check that it is complete. Be sure to include an email address so that we can be in contact. You will also need to bring a check or cash made payable to Ashton Elementary that includes a non-refundable registration fee of \$25 per family, plus payment for a full week of tuition. If your child will be part-time, we have startup costs that our program must cover, so we still need a 5-day payment from you at registration. WE WILL NOT ACCEPT YOUR REGISTRATION WITHOUT A PAYMENT.

If you have any questions, you may email me at diane.creech@sarasotacountyschools.net or call 941-361-6440 to leave a message and I will get back to you. You can find the registration forms on the Ashton website. Thank you for your interest in our program. We look forward to seeing you on Thursday, May 19th.

Diane Creech
