**New Student Registration and Existing Student Re-Registration for the 2020-21 School Year**  
SARASOTA COUNTY, April 15, 2020 - Sarasota County Schools is encouraging all parents and guardians to begin registering first-time students, as well as re-register existing students, for the upcoming school year. Please note the following links and information, as they will assist parents and guardians with the registration of a new student or re-registration of an existing student for a traditional public or charter school in Sarasota County:

- Parents and guardians that did not participate in school choice, or who are not electing to send their student to their choice school, will need to determine their student's attendance zone based on their residential address
- **First-Time Students** must fill out a registration form
  - Online Registration Form is available in:
    - English | Spanish
    - Once the form is submitted, a representative from the school will contact you regarding further details and when the office will be open
- **Existing Students** must also fill out a re-registration form
  - English | Spanish
  - **SNAP codes** for existing students were sent out beginning April 15<sup>th</sup> using the Family Access Portal email to the registering parent/guardian of existing students. Registering parents/guardians that did not have a Family Access Portal account will be receiving their student's SNAP code in the mail soon
