Therefore, this student handbook has been prepared to help you acquaint yourself with our school's policies, procedures, and practices for the 2023-2024 school year. We firmly believe that with your cooperation, along with the support of your parents/guardians, you will enjoy the feeling of success in a safe, supportive, and positive learning environment.

The information in this document has been derived from legal requirements and sound educational practices. Your education, safety, and welfare are the staff's utmost concerns. Accordingly, our school will operate in a manner that ensures an orderly learning environment, so you may achieve a high- quality education.

The goal of high school is to ensure all students graduate "college and career ready". College and career "readiness" not only refers to the content, knowledge, and skills high school graduates must have in literacy, science, humanities, and mathematics, but the acquisition of essential skills and experiences that are necessary to be successful in life. Booker High School's goal is simple - "ALL Booker High graduates will be prepared for postsecondary education and/or training and will have the skills needed to pursue options and opportunities in the job market.

Booker High School is YOUR high school, and it is our fervent hope that you will learn to respect its ideals and take pride in calling it your school. By acquainting yourself with this Student Handbook, we trust you will have taken the first step toward this goal. The faculty, staff, assistant principals and I look forward to working with you this school year.

We are going to have a fantastic year!

# **ACADEMICS**

## **ACADEMIC DISHONESTY**

Students should aspire to learn and to achieve honestly. Their work and achievement should be the result of their own efforts. Cheating or attempted cheating will not be tolerated in any form: copying homework from another student or allowing another student to copy one's work; looking at another person's paper during a test or quiz, plagiarism (i.e. copying directly, using partial wording, or using another person's original ideas without documentation); providing another student with test answers, providing another student with written work; and gaining an unfair advantage in any dishonest manner. Strict consequences will apply if students are found to be cheating or attempting to cheat.

### **Original Work and Prohibition of Artificial Intelligence (AI)/Large Language Model (LLM) Use**

Booker High School upholds the values of academic integrity and fosters an environment where students are encouraged to develop their critical thinking and problem-solving skills independently. To ensure fairness, accuracy, and authenticity in the assessment process, the following policy outlines the expectations regarding original work submission and the use of Artificial Intelligence (AI) or Large Language Model services:

#### **Original Work Submission:**

- a. All assignments, projects, essays, reports, and any other academic tasks submitted for grading must be the original work of the student. This means that the ideas, research, writing, and any accompanying materials must be the product of the student's own efforts, creativity, and knowledge, and not having used, accessed, or generated or used the product of Artificial Intelligence (AI) or a Large Language Model (LLM).
- b. The use of unauthorized aids, such as copying from another student, using pre-written materials not specifically allowed by the teacher, or presenting someone else's work as one's own, is strictly prohibited and will be considered a violation of academic integrity/academic honesty policy.

#### **Prohibition of AI/Large Language Model Use:**

- a. The use of Artificial Intelligence (AI) or Large Language Model (LLM) services, including but not limited to text generators, essay writers, or any technology that generates content automatically, is not permitted for any academic tasks.
- b. Students are expected to rely on their own abilities, research, and understanding of the subject matter to complete assignments and assessments.

**Preventing Plagiarism and Encouraging Originality:**

To foster a culture of academic honesty and originality, teachers will:

clearly communicate the expectations for original work and the consequences of academic dishonesty to their students at the beginning of each course (semester or year-long).

Provide guidance on proper citation and referencing techniques to acknowledge the sources used in research.

May use plagiarism detection tools to help identify any instances of academic dishonesty and inform students that a referral maybe submitted to an administrator for disciplinary investigation.

**Appeals and Support:**

Students have the right to appeal any decision related to academic integrity/honesty violations. They are encouraged to seek guidance from teachers if they need help with any aspect of their assignments to prevent inadvertent violations prior to submitting any assignment or work.

At Booker High School, we believe in the power of individual growth and learning. By adhering to this policy, students will develop essential skills that will serve them well throughout their academic and professional journeys- in elementary, middle, high school, and beyond. Let us work together to create an environment that values authenticity, integrity, and personal growth.

This policy is effective from the date of publication and will be reviewed annually to ensure its relevance and effectiveness.

## **ACADEMIC PROGRAMS**

### AICE

Booker High School is proud to offer the Cambridge AICE (Advanced International Certificate of Education) classes. AICE courses provide students with rigorous, internationally recognized pre-university curriculum which emphasizes the value of broad and balanced study. Students who complete AICE courses and receive a passing score on the exam offered at the end of the course can earn college credits from more than 450 colleges in the US and around the world.

### AP Courses

Advanced placement courses require students to successfully perform college-level academic work, including extensive reading and writing assignments. Higher order thinking skills such as evaluating, analyzing and problem solving will be emphasized within the context of these courses. At the end of the course, students will be assessed on a nationally standardized subject area examination. Students who attain a score of 3 or higher (on a scale of 1-5) are deemed to have mastered the college counterpart of the high school course. Examinees may be awarded college credit based on their scores on the AP exam by the institution they will attend after graduation. Students must stay enrolled in the class all year.

### College Dual Enrollment

Students who meet the prerequisites may earn high school and college credit simultaneously by taking specified dual enrollment courses. Student eligibility requirements include a 3.0 unweighted grade point average and satisfactory scores on an approved placement exam (PERT, SAT, ACT). Upon completion of a course with a C or better, State College of Florida (SCF) will award semester credit hours, which will be accepted by public universities and colleges in Florida and, in many instances, colleges outside of Florida. Full time enrollment at SCF as an early admission student is an option for qualified seniors.

Qualifying Test Scores as of May 2023:

Grade 10 ELA Assessment Requirement	
SAT Evidence-Based Reading & Writing (EBRW)	430
SAT Reading Subtest	24
ACT Reading	19
ACT English & Reading subtests (averaged)	18
Algebra I EOC Assessment Requirement	
PERT	114
PSAT / NMSQT Mathematics	430
SAT Mathematics	420
ACT Mathematics	16
Geometry EOC	Level 3

### Career Dual Enrollment

Students who meet the prerequisites may earn high school and college credit simultaneously by taking specified dual enrollment courses. Student eligibility requirements include a 2.0 unweighted GPA and acceptable score on the TABE test taken within 6 weeks of enrollment in the CTE program, and satisfactory scores on an approved placement exam (PERT, SAT, ACT). Upon completion of a course with a C or better, SCF will award semester credit hours, which will be accepted by universities and colleges in Florida and in many instances outside of Florida.

### Honors Courses

Honors courses require students to meet more rigorous standards through a multidisciplinary approach to content. Higher order thinking skills such as evaluating, analyzing and problem solving will be emphasized within the content of the courses.

### Suncoast Technical College Co-Enrollment

Students who meet the prerequisites may earn technical skills, high school credits, Dual Enrollment credits and technical certification in a variety of technical areas by attending STC for a part of their day during their junior and senior year of high school.

## **TESTING**

Tests are administered periodically to determine progress. No semester exams may be given early per district policy without prior administrative approval. Semester exams are required of all students. If a student is absent for a 9 week or semester exam test, he/she will receive a grade of "F" until the test is made up adhering to make-up guidelines. If a student fails to make up the test, the grade remains an "F" on the report card.

- All students will be required to sit for the Algebra 1 end-of-course exam for the required credit. This EOC counts for 30% of your final grade.
- The Standard and Merit diplomas require the EOC to count as 30% of the final grade for Geometry, Biology and US History. The student must pass the grade 10 FSA English Language Arts Assessment.
- The Scholar diploma requires passing the Geometry EOC, Biology EOC, grade 10 Reading & Writing FSA, and US History EOC.

### PSAT (NMSQT) – Preliminary Scholastic Aptitude Test

Website: <http://www.collegeboard.com>

The PSAT measures verbal and mathematical reasoning skills. All 10<sup>th</sup> grade students take the PSAT in October. Students in 11<sup>th</sup> grade may take this test for an opportunity to qualify for the National Merit Scholarship. The assessment of verbal and mathematic skills on the PSAT is effective practice in the preparation for the SAT.

### SAT – Scholastic Aptitude Test

Website: <http://www.collegeboard.com>

The SAT is an objective test designed to measure how well students have developed their verbal, mathematics, grammar, and writing skills. It is recommended that 11<sup>th</sup> grade students take this test in the spring of their junior year or fall of their senior year. An excellent resource: Khan Academy <https://www.khanacademy.org>.

### ACT – American College Test

Website: <http://www.act.org>

The ACT is designed to assess high school students' general educational development and their ability to complete college-level work. The tests cover four skill areas: English, Mathematics, Reading, and Science reasoning. An excellent resource: Khan Academy <https://www.khanacademy.org>.

\*BHS offers test taking strategies for SAT/ACT provided by a Princeton-trained instructor. Services are provided on campus, free of charge. Contact assigned counselor for additional information.

### PERT –The Postsecondary Education Readiness Test | College Placement Test

PERT is Florida's customized common placement test. The purpose of the PERT is accurate course placement based on the student's skills and abilities. The PERT is aligned with the Postsecondary Readiness Competencies identified by Florida faculty as necessary for success in entry-level college credit coursework. The assessment system includes Placement and Diagnostic tests in mathematics, reading and writing.

### ASVAB – Armed Services Vocational Aptitude Battery

The ASVAB measures mechanical, clerical, verbal, and mathematic skills. This test is administered to juniors and seniors to help identify suitable careers and occupations.

### FSA – Florida Standards Assessment

The FSA Reading is part of Florida's effort to improve the teaching and learning of higher educational standards for all students. The primary purpose of the FSA ELA is to assess student achievement of the higher-order cognitive skills represented in the Florida State Standards in Reading/Writing. Passing the FSA Reading, or earning a concordant score (determined by the state annually), is required for Class of 2024.

### FAST Assessments

Beginning with the 2022-23 school year, Florida's statewide, standardized assessments in Reading, Writing, and Mathematics will be aligned with the Benchmarks for Excellent Student Thinking (B.E.S.T.). The Florida Assessment of Student Thinking (FAST), which includes 9<sup>th</sup> and 10<sup>th</sup> grade Reading will be administered as a progress monitoring assessment, which students will participate in three times per year. B.E.S.T. assessments that are not part of the FAST

progress monitoring program include 10<sup>th</sup> grade Writing and end-of-course (EOC) assessments in Algebra I and Geometry.

### EOC – End of Course Assessments

The Florida EOC Assessments are designed to measure student achievement of the NGSSS for specific courses, as outlined in their course descriptions (<http://www.floridastandards.org/Courses/CourseDescriptionSearch.aspx>) these assessments are part of Florida’s Next Generation Strategic Plan for increasing student achievement and improving college and career readiness and include EOC assessments in the following subject areas: Biology 1, Geometry, U.S. History and Civics. The Florida EOC Assessments are administered on the computer as part of Florida’s commitment to moving to computer-based testing for statewide assessments.

Students will take the EOC assessments toward the completion of their coursework. Typically, each EOC assessment will be administered in the last three weeks of a course. All test dates are set by the Florida Department of Education.

## **BULLYING AND HARASSMENT**

School Board of Sarasota County Policy 2.70 states that all of its students and school employees will have an education setting that is safe, secure, and free from harassment and bullying of any kind. The District will not tolerate bullying and harassment of any type.

Conduct that constitutes bullying and harassment, as defined in policy 2.70, is prohibited and disciplinary action will be taken. Any reference to “bullying” includes cyberbullying whether or not specifically stated. Please refer to the School Board Policy 2.70 for information on bullying and harassment definitions, behavior standards, consequences, reporting, investigating, notifications, and counseling.

We, the students, faculty, parents, staff, and supporters of Booker High School are committed to providing a compassionate, receptive and non-threatening atmosphere for each and every one of our students to learn and succeed in. If harassment occurs, students should be assured

that all incidents will be addressed quickly, thoroughly and effectively. We also expect that anyone - whether student, educator, family member or other school party - who witnesses or has other knowledge of an incident of harassment will report the incident to the principal, assistant principal, or to the counseling office immediately and with the promise of confidentiality if desired. Harassment can be generally defined as the use of aggression, intimidation and/or cruelty with the deliberate intent of hurting another person verbally, physically, or emotionally. Harassment carries the ramification of causing pain and stress to the victim. Harassment is never justified and is not excusable as “kids being kids”, “just teasing” or any other rationalization. The victim is never “responsible” for being a target of harassment.

Specific types of harassment may include, but are not limited to: emotional, homophobic, physical, ethnic/ racist intolerance, sexual, and verbal.

## **BULLYING**

Bullying is defined by SESIR Reporting Guidelines: Systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. Bullying may include, but is not limited to, repetitive instances of teasing, social exclusion, threats, intimidation, stalking, physical violence, theft, harassment, public or private humiliation, or destruction of property.

SESIR Bullying must include 3 elements: It must be (1) repeated; (2) intentional; and (3) involve a power imbalance. An easy way to remember the components that comprise bullying is using the acronym RIP. It is Repeated, there is an Imbalance of power and conduct is Purposeful.

## **HARASSMENT**

Harassment is defined by SESIR Reporting Guidelines: Any threatening, insulting or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct that places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property; has the effect of substantially interfering with a student’s educational performance, opportunities, or benefits, or has the effect of substantially disrupting the orderly operation of a school, including any course of conduct directed at a specific person that causes substantial emotional distress in such a person and serves no legitimate purpose. Instance of Harassment that are chronic or repeated in nature will be evaluated for Bullying or Bullying-related. Harassment involves one-time insulting behaviors.

# **ATHLETICS**

At Booker High School, good sportsmanship is just as important as winning and is something in which every student can take pride. Winning is only cheapened by poor sportsmanship. All athletic programs at BHS stress physical and character development, as well as good sportsmanship.

BHS athletes not only represent themselves, but also the student body, faculty, their families and the communities at large. Participation in athletics is a privilege. School attendance is mandatory for a minimum of five periods on the date of scheduled events. Student athletes may not be in ISR for more than four periods on the date of the scheduled event.

Every student is encouraged to get involved in the athletic program. All athletes must comply with the eligibility rules set forth by the Florida High School Athletic Association. If a student is arrested and charged with a misdemeanor or felony, he or she will immediately be suspended from extracurricular activities while the matter is investigated. In substantiated cases, the student may be suspended from participating in all extracurricular activities, including practices/meetings, for an entire school year (from the beginning date of his or her suspension). If a student is convicted of a felony or delinquent act, the student's participation in interscholastic extracurricular activities will be suspended for the remainder of the school year. (Florida Statutes 1001.41 and 1001.42)

## **FHSAA ACADEMIC ELIGIBILITY REQUIREMENTS**

To be eligible for athletics and interscholastic activities, a student must maintain a cumulative grade point average of 2.0 in all courses taken which are required for graduation. A student's eligibility is determined after each semester (not a nine-week grading period).

## **ATHLETIC PARTICIPATION**

Prior to participating in athletics, the Florida High School Athletic Association requires that a student must provide completed Athletic packet. Packets may be obtained from and returned to Mrs. Carrington, Building 4, first floor office.

Important Notice: Participation in two seasons of an interscholastic sport at the JV or Varsity level with a C or higher on the Personal Fitness Competency test will waive participation in the HOPE class.

# **ATTENDANCE**

## **EXCUSED ABSENCES**

Excused absences are defined as: (1) Documented illness of the student; (2) Documented major illness in the immediate family, (3) Death in the immediate family, (4) Duration of a religious holiday of the specific faith of the student, (5) Special and unique situations approved by the principal.

Parent/guardians need to provide a written explanation within three days upon the student's return to school. Written notes should be turned in to the attendance clerk in Building 1 or sent via email to [Mhariel.Williams@sarasotacountyschools.net](mailto:Mhariel.Williams@sarasotacountyschools.net).

The principal or designee has the authority, within the guidelines of the law, to determine if an absence is excused. In the case of excessive excused absences for illness, a parent/guardian may be asked to provide documentation from a physician.

The school shall provide opportunities for the student to make-up assigned work and not receive an academic penalty unless the work is not made-up within a reasonable time (one day per absence). It is the student's responsibility to request and complete make-up work. In the case of unexcused absence, other than for suspension, a teacher may deduct up to 30% from the earned grade for work made-up.

## **UNEXCUSED ABSENCES**

Unexcused absences are defined as: (1) Inadequate or unacceptable reason for the absence; i.e. car trouble, oversleeping, alarm and power failures, unexplained family issues are all unexcused (2) Results from school disciplinary action (3) Truancy.

Parents will be notified of unexcused or unexplained absences through the district wide communication system. If a pattern of non-attendance develops, parents will be asked to conference with school staff and participate in efforts to remediate the situation. If unexcused absences continue, truancy procedures will be initiated.

## **PLANNED ABSENCES**

Absences for vacation or other anticipated reasons must be given prior approval from an administrator and the student must make arrangements for completion of work prior to the absence. Paperwork for these absences can be obtained from the attendance clerk, Ms. Williams, in Building 1.

## **EXCESSIVE ABSENCES**

Any student who has 15 unexcused absences, excluding suspensions, within 90 calendar days, with or without the knowledge or justifiable consent of the child's parent or legal guardian is considered a habitual truant.

Twelfth grade students who demonstrate excessive absences may forfeit their rights to attend Grad Bash, Prom or other extracurricular activities.

### Florida Department of Highway Safety and Motor Vehicles

The Florida Department of Highway Safety and Motor Vehicles is automatically notified via computer when a student has 15 unexcused absences from school within 90 calendar days. ONE CLASS PERIOD OF UNEXCUSED ABSENCE WILL COUNT TOWARD THE 15 UNEXCUSED ABSENCES. The student's driver's license is then suspended or the privilege to obtain a permit or license is revoked until the student attends school for 30 consecutive school days, without missing any class periods.

## **EARLY DISMISSAL POLICY**

We encourage students to arrange for medical and dental appointments after 2:30 p.m. When a student must leave during the school day:

- No Dismissals after 1:45pm will be granted without prior written request from Parent or Guardian. He/she should bring a parental note stating the time needed to leave school and a phone number where the parent can be reached.
- The note should be dropped off at the Attendance Office BEFORE school starts. The parental note will be verified and a pass to leave campus will be made ready for the student.
- The student will pick up the pass and sign out at the Attendance Office when it is time for him/her to leave school.
- Any student leaving campus for ANY REASON without first signing out through the Attendance Clerk will be considered truant and subject to disciplinary action.
- If a student reaches the age of maturity (18) a notarized letter from a parent or guardian is required to be on file before a student can sign out and leave campus.
- If students return before end of day, they are required to sign back in through the Attendance Clerk.
- Parental pick-up is required for student release for appointments. A written excuse is needed for drivers and walkers.

## **TARDY POLICY**

Booker High School is responsible for students developing a sense of self-management. Tardies are disruptive to the learning environment and have a negative impact on student achievement. Students are expected to be on time for all classes and scheduled activities during the school day.

Students tardy to school should report to the attendance clerk in building one to receive a tardy pass, unless they have an excuse note. Those with an excuse note must also report to the Attendance Office in building 1.

For a tardy to be EXCUSED a parent must provide written documentation. (Inadequate or unacceptable reason for tardies: car trouble, oversleeping, alarm and power failures or unexplained family situations are all unexcused)

Students without a pass or note, who are not in their classrooms as the second bell begins to ring, shall be considered tardy, and must obtain a tardy pass in order to be admitted to class.

Consequences will be assigned for excessive tardiness.

Note of caution – A student can be tardy 7 times in a single day!

Booker High School tardy policy is as follows:

- 3 – 5 tardies = afterschool detention
- 7 – 10 tardies = ½ Day of In-School Restriction (ISR)
- 11+ tardies = 1 Day of ISR

## **CAMPUS PRIDE**

Our custodians work every day to keep our campus clean and neat. This is an impossible task without the students' help and support. Waste receptacles are located in all areas and everyone should make a special effort to see that these receptacles are used. All trash should be put into these receptacles and not thrown on campus. This is your campus, so be proud of it. Booker High School can only be as clean and neat as you make it. This is your school, OWN IT, RESPECT IT, AND HAVE PRIDE IN IT.

## **CARE OF SCHOOL PROPERTY**

Each student is responsible for the proper care of all books, supplies and furniture supplied by the school. A student who vandalizes or does damage to school property or equipment will be required to pay for the damage done or replace the item. There will be strict consequences for vandalism, graffiti and any other damage to Booker High School

## **CHANGE OF ADDRESS**

It is important that the school office records be up to date. Please inform the Registrar of any change of address, phone number(s) or significant information.

## **CLINIC**

The clinic is open from 7:00 a.m. to 3:00 p.m. to assist with health and hygiene concerns. The health room aide may not dispense aspirin or other medications but may provide first aid treatment and supplies. If students become ill or are injured, they should request a pass to the clinic from a teacher. If a student needs to go home, the student's parents will be contacted.

Parents must sign a student out with the attendance clerk or give permission over the phone to release those students who can drive themselves.

Students are NOT allowed to carry any type of medication (prescription or over the counter) during the school day. The only exceptions are asthma inhalers and epi-pens. All medications must be delivered to the clinic with a written parental/guardian note. Medications must be kept in the original pharmacy container/package. Medication will be dispensed under adult supervision.

All injuries must be reported immediately to school personnel and an incident report filed with the clinic.

# **COLLEGE PREPARATION**

## **COLLEGE, CAREER, AND YOU**

All 9th grade students are expected and entitled to take the College, Career, and YOU course.

This readiness program will be grounded in college and career readiness standards. Our vision for this course includes six priorities which are as follows:

1. Academic Alignment ~ By the end of the high school experience, students will take at least one rigorous course or CTE course AND freshman will take a 9th Grade Career and Decision-Making Semester course.
2. College and Career Counselor ~ Advisement, motivation, exposure, following-up and more. ~ Ms. Davis / Ms. Lumb
3. Testing Taking Strategies ~ ACT/SAT Preparation ~ Mr. Bobby
4. Customized Scholarship Options ~ Kantel Scholarship Program
5. Florida's Post-Secondary Readiness Test ~ PERT ~ determined placement into appropriate course at college
6. Advisory Period ~ Grade Level Assemblies

## **COLLEGE FINANCIAL AID INFORMATION**

College-bound students needing financial aid information should consult with their guidance counselor. Financial aid information is available in the Guidance Office.

Financial aid seminars are conducted at least once a year to help students and parents with their college financial planning.

## **COLLEGE RESOURCE ROOM**

The resource room located in building 1, offers information about possible careers, colleges and scholarship information

## **COLLEGE VISITATION PRODEDURE**

Juniors and seniors are strongly urged to plan their visitations to prospective colleges on vacation days and teacher workdays. Any visitation during school time requires prior written approval. The attendance office should be notified of the desired visitation no later than FIVE SCHOOL DAYS PRIOR to the requested absence for proper consideration. Notices of college representatives visiting Booker High School will be posted on the bulletin board located outside the College/Scholarship Resource Room. Students who wish to attend a presentation must sign-up at least one day in advance.

## **PREPARING FOR COLLEGE - The College Application Process**

The application process begins in NINTH grade. Your grades and coursework will directly impact your admittance to college.

Fill your schedule with a variety of subjects and difficulty. Colleges are looking for well-rounded students who are highly motivated. Do your best in each class. Do not let a class slip because it does not interest you. Colleges look for consistent performance in all subjects.

Take the SAT or ACT in the spring of your junior year. If you feel the score does not reflect your ability, take the exam again during your senior year.

Look at as many potential colleges as possible. Do not limit your options.

Visit as many campuses as possible and talk to students, staff, and the office of admissions while at the college.

Send applications to the prospective colleges beginning in early fall of your senior year.

Fill out any potential scholarship forms and send them to the appropriate personnel.

Allow at least two weeks for your counselor to process your applications.

Many schools will respond to your application within four to six weeks.
