

1 Student Pick-up/Drop off

Morning: Drop-off traffic occurs with both lanes entering on Orange Ave in front of the administration building. Vehicles in the lane closest to the campus shall allow student to exit the vehicle and walk into campus. Vehicles in the lane closest to the parking lot must have students exit on parking lot side and proceed to the crosswalk to get into campus. Students should never cross in front of other vehicles to get to campus.

Afternoon: Single lane pickup style using lane closest to campus. The outside lane is for a loaded vehicle to exit the loop.

Students should not be picked up or dropped off on Orange Ave.

2 Student/Staff Parking

Gym Lot: Student traffic will enter via Myrtle and park on the west side of this lot from the Myrtle entrance; Staff traffic will enter via Myrtle and park on the east side of the lot from the Myrtle entrance. This area is not intended for student drop-off. All drop-offs must happen in the student pickup/drop off loop in front of administration

4 Guest Parking

Administration, substitute, and visitors are allowed in this lot. Absolutely no student pick-up or drop-off is permitted in this area unless parents are here for a function (meeting, turning in paperwork, etc.)

3 Bus Loop

Bus Loop – No movement may occur while buses are loading/unloading per state law; no student traffic (other than bus unloading) in this area, including parking.

Thank you for your help in making this process safe for our students, staff and parents!!
