The Cambridge International AICE Program is an international curriculum and examination program that prepares students to enter college, provides skills needed to be successful in college and thereafter, and allows students to earn college credits and scholarships while in high school.

Why Choose AICE?

Global Perspective

The Cambridge AICE Program utilizes an international curriculum that is followed by over 10,000 schools in over 160 countries.

College Readiness

Students can earn up to 45 hours of college credit and be eligible for the Florida Bright Futures Scholarship.

Flexibility

We offer 33 AICE-level courses. Students are able to build a curriculum which offers real choice in math/science, language, and arts/humanities.
