SUMMER **UPCOMING
EVENTS**

MR. THOMPSON'S MESSAGE

Thank you all for your partnership and support throughout the **2022-2023** school year. Due to the strong bond between home, school, and community we persevered through a challenging year. I'm so proud of what we have accomplished together because we never lost focus on learning and the well-being of our students.

During these summer months we want to ensure students, families, and staff, have a chance to rest and enjoy quality time together. We know that our students and parents will enjoy a break from the demands of the school year.

For the students who would like to continue to sharpen their reading and math skills, we invite them to meet a new **Summer Challenge**. Learn more about the **Summer Challenge** options on **page 4** of this newsletter. We will celebrate students who complete a challenge when we get back to school.

Our team will continue to communicate regularly during the summer via email and text message.

Thanks again for a great year and looking forward to seeing all our students back on August 10th...Enjoy your Summer!
