

Dear SPHS Families –

On behalf of the Booster Executive Board members, we welcome you to the 2021-2022 school year. This is going to be an amazing year at SPHS!

The success of the school is due to our administration, staff, teachers, Business Partners, Booster leadership and involved parents like you. Our goal is to have every parent involved.

At Orientation & Registration day you will be scheduled to visit the Booster table. We hope all families will join the SPHS Booster Club, take a few minutes to look at all the different volunteer opportunities we offer and register with the county to be a volunteer. You can register in advance on our website by going to www.SPHSBoosters.com. This will save you time at orientation.

ALL SPHS parents/guardians are required to provide the school 15 volunteer hours per student. This can be done in many ways including volunteering at school, from home, sponsoring an event, by donating supplies, or making a monetary donation.

Business Sponsors are crucial to the success of the SPHS Booster Club so if you or someone you know is interested in being a business sponsor, please reach out. We have many opportunities for businesses in the community to be involved.

Stay in touch!!

When you team up as a business partner with the Sarasota County Schools, you make an investment that benefits individual students, your business and the entire community. By bringing real-world information into the classroom and providing internships and job shadowing, business partners help students see possibilities, pursue opportunities and reinforce skills. School-business partnerships produce career-ready students who become more productive citizens. A Business Partner can help SPHS with goods, services, human resources, or financial resources and SPHS in return recognizes the Business Partner's involvement through various methods of exposure to SPHS's community.
