2020-2021 GRADE 6 CLASS REQUESTS

Student Name _____ DOB _____
 Last First Middle

Parent/Guardian Name (Print) _____

Phone _____ Email _____

Instructions for Parent/Guardian:

1. Review and select student Core Curriculum Options and elective classes.
2. Sign the form and have your child return it to your child's school counselor.

Core Classes

Sixth grade students will be assigned (4) CORE classes (Math, Language Arts, Social Studies, and Science). Students interested in Cambridge Honors core classes must be admitted through the application process. Florida State Assessment results will be considered when determining the correct placement for a student. Mark any of the below options you are interested in:

- Regular core classes Advanced Cambridge classes Advanced math placement

Physical Education (P.E.)

The State of Florida requires middle school students to take one semester of P.E. each year. If the parent/guardian does not want their child enrolled in P.E (for example the child participates in sports outside of school), they must submit a P.E. Waiver form prior to the start of the school year. If a P.E. Waiver is submitted, an additional Encore class should be selected. The P.E. Waiver form can be obtained from the school office.

Encore/Elective Classes

Students will also have (2) ENCORE/ELECTIVE classes. Students below grade level in reading may be assigned to a reading support class instead of an ENCORE/ELECTIVE class. Rank each Encore class below from 1-16, in order of preference, with number 1 being the class you most want to take.
