RTOL is an emergency roadmap for a rapid transition to remote learning during forced school closures. This one-hour program will walk you through a simple step-by-step guide to maintain your continuity of teaching and learning in a crisis.

The RTOL program is based on the Flipped Learning framework, a proven instructional model for remote learning used in over 50 countries. RTOL was developed using the best practices collected, peer-reviewed, and defined by 100 educator-delegates from 49 countries, under the guidance of *the Academy of Active Learning Arts and Sciences*.

Three-quarters of our more than 800 employees are or have been teachers, so we understand the pressure teachers are under at this time to keep students on track. We are here to support them with free resources including our Eureka Math®/EngageNY Math curriculum that is a free, open education resource available to anyone, anywhere.
