

# DUAL ENROLLMENT DEADLINES

As of April 16, 2020, the Dual Enrollment application deadlines are:

**SCF:** August 1, 2020

**USFSM:** June 30, 2020

---

## ACT & SAT JUNE TESTING

The June 6<sup>th</sup> SAT has been cancelled as of 4/15/2020.

The June 13<sup>th</sup> ACT has not been cancelled as of 4/16/2020.

Test Type: Date	Registration Date	Late Registration Date	Scores Returned	Status
SAT: June 6 2020	May 8	May 27	July 15	TEST CANCELLED
ACT: June 13 2020	May 8	May 22	June 23 July 7	TEST CANCELLED

The decision whether to host the July (ACT) and/or August (SAT) will be made by the Sarasota County School District in late June. We will keep you posted.

Right now, public health officials have made it clear it's not safe to gather students in one place. Many U.S. states have closed schools for the rest of the academic year, and globally there are widespread school closures across 192 countries. As such, we won't be able to administer the SAT® and SAT Subject Tests™ as planned on June 6, 2020.

We're working hard to make the SAT available in school and out of school as soon as the public health situation allows. Students will have opportunities to take the SAT to make up for this spring's lost administrations.

If it's safe from a public health standpoint, we'll provide weekend SAT administrations every month through the end of the calendar year, beginning in August. This includes a new administration in September and the previously scheduled tests on August 29, October 3, November 7, and December 5.

Students will be able to register for these administrations beginning in May. We'll communicate directly with students when the exact date is available. Eligible students will be able to take the exam with a fee waiver. Students who were registered for June and those in the high school class of 2021 who don't have SAT scores will have early access to registration for the August, September, and October administrations.

For each administration, we're preparing to significantly expand our capacity for students to take the SAT when schools reopen. We're calling on our member schools and colleges, as well as local communities, to open their doors and provide additional test center capacity so every student who wants to can take the SAT.

In addition, almost all of our state and many of our district partners have expressed their interest in providing SAT School Day administrations in September or October. Specific information about state and district testing will be shared in the coming weeks.

In the unlikely event that schools don't reopen this fall, the College Board will provide a digital SAT for home use, much as we're delivering digital exams for three million Advanced Placement® students this spring. As we're doing with at-home AP® Exams, we would ensure that at-home SAT testing is simple; secure and fair; accessible to all; and valid for use in college admissions.

We're committed to giving students as many chances as we can to show their strengths to admissions officers. As we navigate this evolving situation, we'll continue to rely on your partnership to ensure students have what they need as they apply to college during the 2020-21 school year.

We'll regularly update our [webpage](#) with information. Thank you for your partnership during this unprecedented time.
