SOUTHSIDE'S

VISION: To learn, to dream, to laugh, to love every child every day - whatever it takes!

MISSION: To use data-driven instruction for progress monitoring, so that each student is learning, succeeding and reaching above and beyond their potential every day.

IMPORTANT DATES

4/17 - SSFA Event - TOMORROW! 3-5PM

4/23 - Southside Jog-A-Thon - ALMOST HERE!

4/26 - PTO Board Meeting via Zoom - 9:00 AM

April/May FSA Testing - Calendars are below

WHAT'S NEW?

Proud Panther Principal

Thank you to all of our families - both in-person and remote - for preparing your kiddos each morning for the best testing experience possible. Students were on time and well-fed for this week's FSA tests. It was wonderful seeing all our remote students on campus! We are SO PROUD of our panthers!

Online Learning Portfolios!

Students in Ms. Jones' Kindergarten class enjoyed uploading their learning and explorations in real time to their online student portfolio on Seesaw. Ms. Jones' students love to share with their families at home using this technology!

IMPORTANT REMINDERS

No Cell Phones While in Carline

Please be aware that using your cell phone in our carline, which is part of our school zone, is strongly discouraged after you check in to Dismissal Manager. The safety of our staff and students is paramount. We appreciate your cooperation in this area.

Additionally, if your child is a walker, please do not walk in the bus loop with your children unless you are using the white crosswalks. Again, this is for everyone's safety. Parents who meet children at the corner should communicate this to their children so we are all on the same page.

Celebrate Earth Day Jog-a-Thon!

Please read through the information below for clarity. If you have questions, please reach out directly to your teacher. Each classroom will be lining up at their themed Earth Day table as a starting point at the designated time. Their assigned track (Webber or Osprey Park Lot) tells you where you can stand to observe them. Check the corresponding map of our PE Field below for more detail/location orientation.
