# PINE VIEW CLUB AGREEMENT FORM

To ensure the safety of our students and staff, it is important that all of our students participating in clubs/organizations review the information outlined in this form.

We are very excited and pleased to announce that our 20-21 plan will provide all students, remote or in-person, with the opportunity to participate face-to-face, if they so choose, when the specific club-related activity or event necessitates such participation, as determined by the club sponsor and administration.
