

2020-2021 PINE VIEW STUDENT CLUB INFORMATION

RETURN TO LEARN CLUB PLAN

We are very excited and pleased to announce that our 2020-2021 plan will provide all students, remote or in-person, with the opportunity to participate face-to-face, if they so choose, when the specific club-related activity or event necessitates such participation, as determined by the club sponsor and administration.

Some clubs may not have remote learners participate in person due to club start and end times and interference with school start times.

To ensure the safety of our students and staff, it is important that all of our students participating in clubs/organizations review the club information and submit the [Student Club Agreement Form](#) located on the Pine View website.

CLUB MODALITY: (determined by club sponsor)

CONCURRENT: Face-to-face students and remote students at the same time.

REMOTE: All students participate off-campus, online via Zoom or other video conferencing platform.
