**Addendum to 2021-2022 Public School Dual Enrollment Articulation – Senate Bill (SB) 52  
– Postsecondary Education**

The purpose of this addendum is to address Senate Bill (SB) 52 – Postsecondary Education. The 2021 Florida Legislature passed extensive workforce education legislation that will impact Florida’s secondary and postsecondary career, technical and adult education partners.

**Collegiate High School/Early College Program:** SB 52 modifies section (s.) 1007.273, Florida Statutes (F.S.), to amend the name, requirements, and agreements of collegiate high school programs. First, the bill changes the term “collegiate high school program” to “early college program” and requires the prioritization of courses applicable to general education core courses for an associate degree or baccalaureate degree. The bill also eliminates the requirement that early college programs provide an option for enrolled students to earn CAPE industry certifications as well as the successful completion of 30 credit hours. Lastly, the bill allows charter schools to execute a contract directly with a Florida College System (FCS) institution or another institution to establish an early college program. The bill takes effect on July 1, 2021.

**Dual Enrollment Scholarship Program:** SB 52 creates s. 1009.30, F.S., to reimburse postsecondary institutions for tuition and related instructional materials for dual enrolled students beginning in fall 2021. The appropriation provides \$15.5 million to public postsecondary institutions for private and home education students in the fall or spring terms and all students during the summer term. The bill requires biannual reporting by participating institutions for FDOE to reimburse by the bill’s annual deadline.

- Dual enrollment classes shall be offered during the Summer 2022 term for all dual enrollment students. Students may enroll for a maximum of 6 credit hours.
- Summer 2022 tuition and textbooks/materials shall be covered by the State College of Florida.
- May 15<sup>th</sup> will continue to be the deadline for both Summer 2022 and Fall 2022 enrollment.
