High School Students and Parents/Guardians,

Students in grades 8-11 will be meeting with high school counselors to begin working on their 2022-2023 schedules during the week of January 24th.

Initial information sessions will take place during English and Social Studies classes and will be held in the new College and Career Room in building 17.

Counselors will talk with students about selecting classes for the 2022-2023 school year and will show them how to access an online folder containing all scheduling materials during their initial visit with students.

A follow-up scheduling session will take place beginning January 31st. During these sessions, all students will turn in the following three forms:

Course Selection Card

4-Year Plan

Permission to Leave Campus Form

Students will be guided through the course selection process during this second visit.

Parents/Guardians, please review all forms with your student and talk with them about their classes for next year. **Scheduling forms and Program of Studies** may be found on the Pine View website:

<https://www.sarasotacountyschools.net/domain/1450>

The High School Scheduling section contains information to help students with their course selections. The online folder also includes information about how to begin **community service hours**, how to sign up for the **online HOPE class**, and information about **dual enrollment**.

Please reach out to the guidance department with any questions.
