

Dual Enrollment Resources for Pine View students

What is Dual Enrollment?

Dual enrollment allows high school students to take college classes while they are still enrolled in high school. These classes count for both high school and college credit.

Dual enrollment courses are real college courses for real college credit. The grades will go on a student's high school and college transcript. Before enrolling, please make sure that you are ready for the demanding work a college class will require. **A poor grade in a DE class may negatively impact a student's college acceptance.** Many classes require that the student pass the final exam in order to pass the class.

Tuition and books are free.

Sarasota County has a Dual Enrollment Agreement with SCF, UF, and USFSM

SCF opportunities: <https://scf.edu/StudentServices/Registrar/EarlyCollege/default.asp>

Students who will graduate from high school in graduating classes of 2021, 2022, 2023, and 2024 will have the opportunity to participate in one of two full-time DE programs through SCF:

ADE (Accelerated Dual Enrollment): Students in grade 11 may begin the two year program. They will continue to be Pine View students but will attend all of their classes at SCF. This program allows students to earn their high school diploma while also earning an AA degree.

EA: (Early Admission): Students in grade 12 may take all of their classes at SCF while maintaining their Pine View status.

Part-time classes: Students meeting certain prerequisites may have the opportunity to take one or two classes per semester.

UF Online <https://dualenrollment.dce.ufl.edu/>

Students in grades 11 and 12 have the opportunity to take one or two classes per semester online through the University of Florida. UF does not offer summer DE classes.

USFSM <https://www.usf.edu/admissions/freshmen/admission-information/dual-enrollment/index.aspx>

DE classes at Pine View:

Dual Enrollment classes on the Pine View Campus are provided by Pine View teachers through the University of South Florida. We currently offer these DE classes on the Pine View campus:

ENC 1101 and ENC 1102

LIT 2000 and LIT 2030

MAC 1105 and MAC 1147

MAC 2313 and MAP 2302

AST 2002 and AST 2004

*Please contact Ms. Halcomb for DE details

Dual Enrollment Testing Requirement

Students interested in taking dual enrollment classes will need to **complete an application with the college** (SCF, UF, or USF) and will need to **provide a recent test score to the college**. For the dual enrollment programs through SCF, UF, and USF, any of these test scores are accepted: the ACT, the SAT, or a PERT/CLM test score.

Students interested in taking classes through SCF and or UF will need to meet with Ms. Halcomb for further information.

Students who sign up for dual enrollment classes through **USF at Pine View** will be given application instructions from the guidance office. Students who will be taking a DE class at Pine View School will be able to take the PERT test at Pine View. **Students must sign up for the PERT test by February 17th.**
