

LANGUAGE ARTS

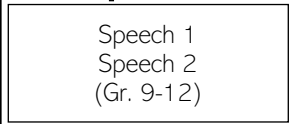

Recommended Core Progression

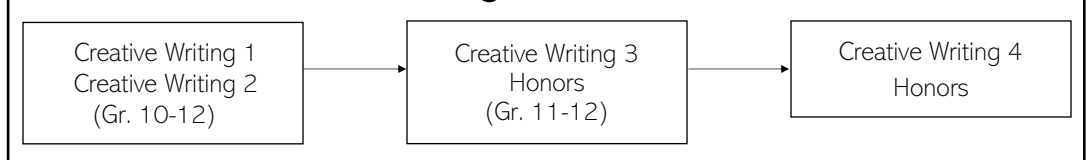

Journalism

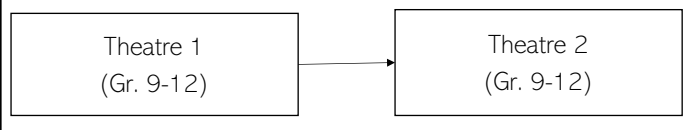

Speech

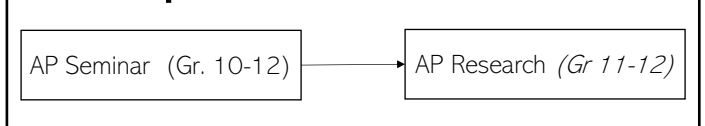

Creative Writing *(prerequisite: English 1 Honors)*

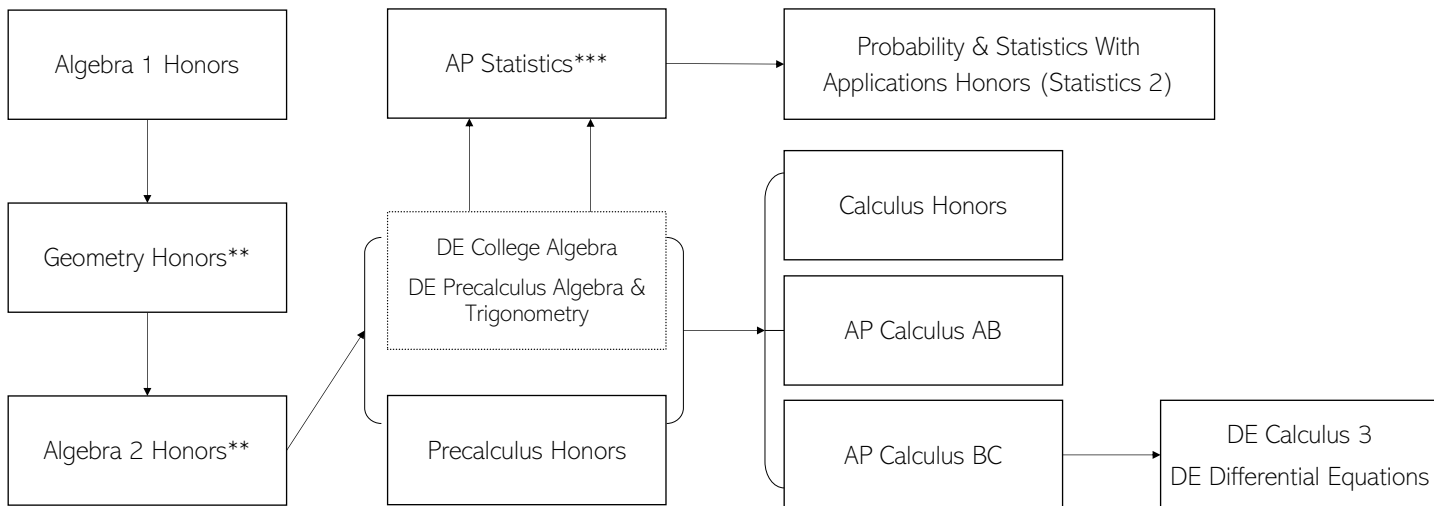

Theatre

AP Capstone *(prerequisite: English 1 Honors)*

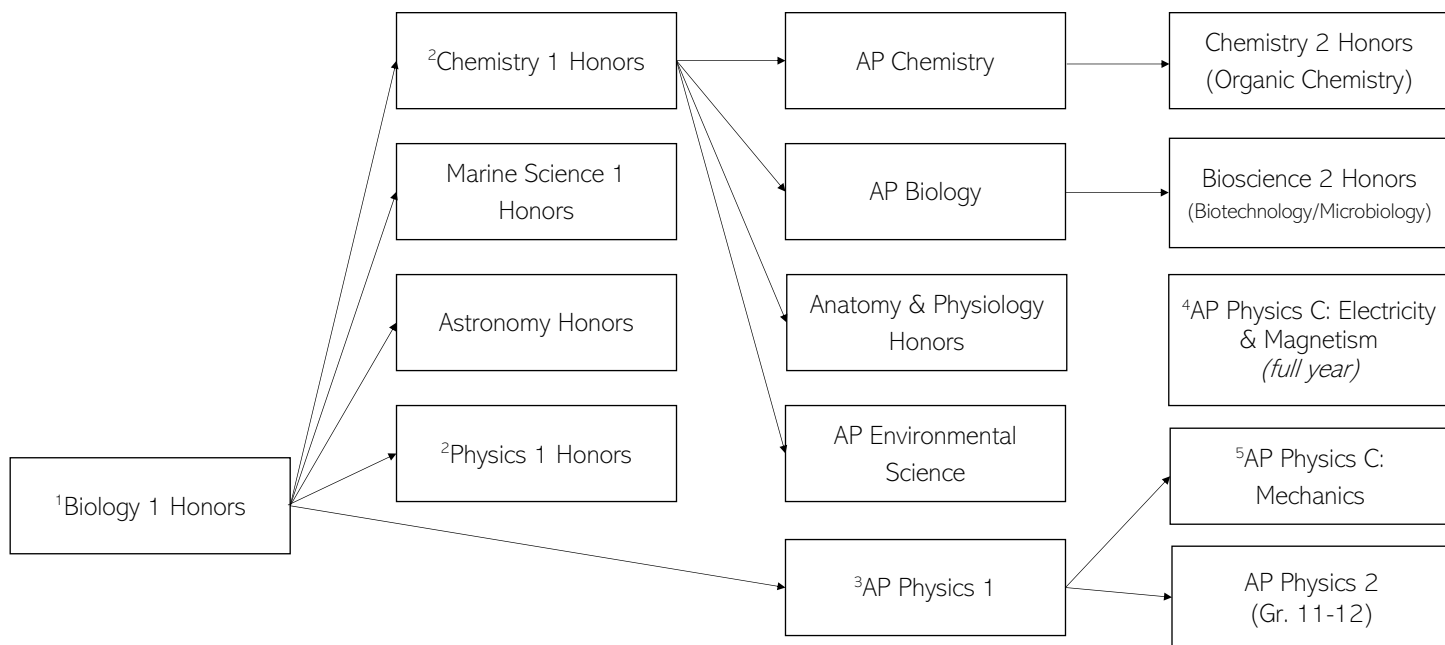

MATHEMATICS

**may take concurrently

***must take Precalculus Honors or DE College Alg -DE Precalculus/Trigonometry first, or concurrently

SCIENCE

Math Co/Prerequisites

¹must take Algebra 1 first

²must take Algebra 2 first, or concurrently

³must take Algebra 2 first

⁴must take AP Calculus BC first, or concurrently

⁵must take AP Calculus BC first; no prerequisite science class

SOCIAL STUDIES

CORE GRADUATION REQUIREMENTS (one from each pair)

World History
(Full Year)

World History Honors	or	AP World History: Modern*
Grade 9		Grade 10

*Prerequisite:
World History Honors or
AP Human Geography

US History
(Full Year)

US History Honors
Or
AP US History
Grade 11

US Government
(One Semester)

US Government Honors
or
AP US Government
Grade 12

Economics
(One Semester)

Economics Honors
or
AP Macroeconomics
Grade 12

ELECTIVES

**Full Year
Gr. 9-12**

AP Human Geography

**Full Year
Gr. 10-12**

AP European History

International Relations 2 Honors

**Full Year
Gr. 11-12**

AP Psychology

**One Semester
Gr. 9-12**

Personal Financial Literacy Honors

African-American History Honors

Gr. 11-12**

AP Comparative Gov't.

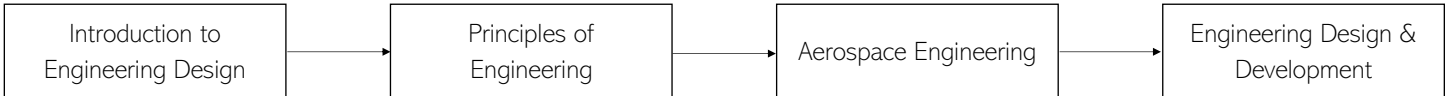

AP Microeconomics

CAREER & TECHNICAL EDUCATION

Digital Media/Multimedia

Engineering

Education

Computer Science

Prerequisite: must take Algebra 1 first

Corequisite: must take Algebra 2 first or concurrently

WORLD LANGUAGE

Beginning with the 2020-2021 school year, high-school credit courses in French and Spanish are renumbered. All students skip a number this year. This renumbering more accurately reflects the rigor of Pine View courses. The renumbering also allows for French 1 and Spanish 1 to be offered as true introductory courses. French 1 and Spanish 1 are now appropriate for students with no background in the language. These courses will cover at an accelerated pace the objectives taught in the respective two-year middle school sequences, Intermediate and Advanced, typically taken at Pine View in grades 6-7. Note that due to a lack of suitable course codes at the state level, the Chinese sequence is not renumbered.
