Roy Sprinkle, Assistant Principal

High Schools Students and Parents/Guardians,

Students in grades 8-11 will be meeting with high school counselors to begin working on their 2021-2022 schedules during the week of January 26th.

The scheduling process will look a bit different this year in order to maintain health and safety protocols. Initial information sessions will take place via Zoom through English and Social Studies classes during the week of January 26th.

Counselors will talk to students about picking classes for the following school year and will show them how to access an online folder containing all scheduling materials. *

A follow-up face-to-face scheduling session will take place in English and Social Studies classes during the first three weeks in February. During these sessions, all students will turn in 3 forms:

Course Selection Card

4-year-plan

Permission to Leave Campus Early Form.

These forms should be filled out with required signatures (from parents/guardians and teachers) prior to the face-to-face scheduling session. In-class learners will print these forms and bring them to the session, and remote learners will email them to their respective guidance counselors.

Parents/Guardians, please review all forms with your student and talk with them about their classes for next year. Scheduling forms may be found on the Pine View website:

<https://www.sarasotacountyschools.net/schools/pineview>

* click the “Resources” tab

* then “High School Scheduling 2021-2022”

Please reach out to the guidance department with any questions.

The High School Scheduling section contains information to help students with their course selections. The folder also includes information about how to begin community service hours, how to sign up for the online HOPE class, and information about dual enrollment.
