## Registration is Easy!

**\*\*Since Sarasota Virtual uses the FLVS system for registration and curriculum for part time courses, you will need to navigate to their website to sign up for a class\*\***

1. Visit **www.flvs.net** to create an online account, or to access your already existing account. If you need to create an account, make sure you write down your username and password.
2. Click on **Enroll**, and then choose **County Virtual School**.
3. Follow the prompts for either an Existing User or to Create an Account.
4. After you choose your course you'll be prompted to choose either SVS or FLVS Flex. Choosing Sarasota Virtual places you with a virtual instructor who can give you local support throughout your course. You may even get to meet your teacher if they work at your brick and mortar school!

**Sarasota Virtual courses are IDENTICAL to FLVS courses in every way.**

**Each assignment, discussion based assessment, quiz, test...100% identical to FLVS.**

**The ONLY difference is the teacher you get! Sarasota Virtual teachers work for *your* Sarasota County Schools.**
