## Algebra 1 Regular \& Honors

Course Number 1200310/1200320

## Course Description:

In Algebra 1, instructional time will emphasize five areas: (1) performing operations with polynomials and radicals, and extending the Laws of Exponents to include rational exponents; (2) extending understanding of functions to linear, quadratic and exponential functions and using them to model and analyze real-world relationships; (3) solving quadratic equations in one variable and systems of linear equations and inequalities in two variables; (4) building functions, identifying their key features and representing them in various ways and (5) representing and interpreting categorical and numerical data with one and two variables.

## Textbook Publisher:

Florida Reveal Algebra 1, McGraw Hill (Students have online access through My.Sarasotacountyschols.net)

## Standards:

Available on CPalms: Algebra 1 \& Algebra 1 Honors
Available on Florida Department of Education: Algebra 1 \& Algebra 1 Honors

## Assessment Dates:

AP1- November 13-17
AP2- February 29-March 7
State End of Course Exam- May

| :---: | :---: | :---: |
|  | Unit 11: Represent and Interpret Data | 11-1 Univariate Data <br> 11-2 Two-Way Frequency Tables <br> 11-2B (Honors): Summarizing Categorical Bivariate Data <br> 11-3 Bivariate Data <br> 11-4 Distributions of Data <br> 11-5 Comparing Sets of Data |

Please Note:

- Teachers may use additional resources as noted on an individual teacher's syllabus. For specific questions regarding individual classrooms please contact the teacher for clarification.
- This guide represents a recommended sequence that can be used voluntarily by teachers. Dates may vary depending on individual classrooms. For specific questions regarding pacing please contact the individual teacher for clarification.
- Graduation Requirements: Students earning a standard high school diploma must earn at least one math credit in Algebra 1 or an equivalent course. The student must also pass the FSA Algebra 1 End of Course Exam (EOC) or earn a concordant score. More information on graduation requirements and concordant scores can be found here: Graduation Requirements for Florida's Statewide Assessments.
